Henry, 2003-03-18 *The Four Million* O Henry, 2021-02-19 As was his wont at times O Henry would slip into a story something specific from his life In the story that leads off The Four Million Tobin s Palm O Henry makes a literary declaration One of the characters in the story is a writer who comments I wander abroad by night seeking idiosyncrasies in the masses and truth in the heavens above The rapid transit is poetry and art the moon but a tedious dry body moving by rote This is just as O Henry did Ye will put me in a book says Tobin disgusted will ye put me in a book I will not says the man for the covers will not hold ye Not yet O Henry tried mightily to put the characters of New York into a book and if he failed in his own eyes he nonetheless succeeded better than any other short story writer of the day The Four Million O Henry s second collection of short stories was the first to bear all the recognizable O Henry traits As he said in another of his books he was the voice of the city giving it expression and reality New York was the gateway to America then and immigrants were pouring in from all parts of the world O Henry celebrated that ethnic diversity *The Four Million* O.
