**Radical War** Matthew Ford,Andrew Hoskins,2022-08-01 This book examines the digital explosion that has ripped across the battlefield weaponizing our attention and making everyone a participant in wars without end Smart devices apps archives and algorithms remove the bystander from war collapsing the distinctions between audience and actor soldier and civilian media and weapon This has ruptured our capacity to make sense of war Now we are all either victims or perpetrators In *Radical War* Ford and Hoskins reveal how contemporary war is legitimized planned fought experienced remembered and forgotten in a continuous and connected way through digitally saturated fields of perception Plotting the emerging relationship between data attention and the power to control war the authors chart the complex digital and human interdependencies that sustain political violence today Through a unique interdisciplinary lens they map our disjointed experiences of conflict and illuminate this dystopian new ecology of war **Merlin's War** Margaret Doner,2012-04-17 *Merlin's War* The Battle between the Family of Light and the Family of Dark examines the fact that the history of the human race has been manipulated by a being so clever that we have had no idea he exists In fact he has hidden behind Lucifer but Lucifer is not our devil Much of what has been told to the human race has been designed to keep the truth at bay Whose purpose did it serve to keep the human race unaware of its own origins and ignoring huge pieces of obvious evidence

because there is no logical explanation for it It certainly did not serve the human race Merlin is thought of by most humans as a simple embodiment of the wizard Merlin s War reveals that he is much more he is a powerful Creator God who is responsible for creating the human template and seeding life on the Earth Moreover Dracula is thought of as a fictional vampire when he is in fact the being we call Satan responsible for creating war and chaos on Earth and in other galaxies There are two points of view to this story and in order to be fair author Margaret Doner has agreed to tell both sides Merlin s War posits that it is time for the playing field to be evened out The Family of Dark has been in control for too long it s time for the Family of Light to move beyond the fear that has kept them enslaved
