Colaiaco, 2015-03-24 A critical evaluation of the address the preeminent African American abolitionist and orator gave in observance of Independence Day On July 5th 1852 Frederick Douglass one of the greatest orators of all time delivered what was arguably the century's most powerful abolition speech At a time of year where American freedom is celebrated across the nation Douglass eloquently summoned the country to resolve the contradiction between slavery and the founding principles of our country In this book James A Colaiaco vividly recreates the turbulent historical context of Douglass speech and delivers a colorful portrait of the country in the tumultuous years leading to the Civil War Now including a reader's guide with discussion points this book provides a fascinating new perspective on a critical time in American history Praise for Frederick Douglass and the Fourth of July If you're feeling blasé about this year's observance of our oldest patriotic holiday James A Colaiaco's *Frederick Douglass and the Fourth of July* should stir you out of complacency What makes it essential reading is its deepening of one's appreciation for how the color blind malleable Constitution is a tissue of ambiguity and compromises The Wall Street Journal Colaiaco provides the most complete exposition yet of Douglass's constitutional abolitionism He performs a vital service in reviving the moral spirit of America's greatest exemplar of black manhood Claremont Review of Books Colaiaco's examination of this long forgotten masterpiece is long overdue and superbly realized Harold Holzer author of *Lincoln at Cooper Union* co chairman U S Lincoln Bicentennial Commission
