Everyday Murders Hugh Anthony Levine,2009-08-07 Excerpt from Chapter One All Tanenbaum said was And then what happened Eddie He appeared to enter some weirdly hypnotic catatonic trance his already breathy voice became monotonal his eyes glazed over his face drained of expression and he went on and on and on She said Wait until your mother hears this this is going to break her heart And I said Please don t tell my mother Sherrald please don t tell my mother Sherrald please don t tell my mother And while Eddie Hurdle continued to mouth that refrain please don t tell my mother both of his hands gripped an imaginary knife and repeatedly metronomically plunged it down and raised it up and plunged it down and raised it up over and over and over again The three observers Davin Tanenbaum and the stenotypist sat in stunned silence as Eddie Hurdle reenacted his crime Other sins only speak murder shrieks out wrote playwright John Webster in 1623 and our fascination with murder and murder trials has continued unabated to the present Murder is after all the most dramatically unlawful thing a person can do to another It runs counter to the very fundamentals of human society breaching what social philosophers have termed the social contract Society speaks with its firmest voice in addressing the conduct of its members who kill another and murder prosecutions have the direst of consequences of any court proceeding as they may occasion the loss of a violator s liberty for life or even the loss of his or her life itself But most murder cases while fascinating in the motives or personalities of the killers or the circumstances of the killings and the ensuing trials receive little attention and recede into ordinariness Only rarely does a murder case become a cause c l bre notorious enough to capture wide attention the O J Simpson Scott Peterson Claus von B low type cases prove the exception rather than the rule For the most part the public s perception of garden variety murder trials quickly becomes only memory s ashes strewn sparsely on the fields of public awareness Brought to life by the prosecutor who tried the six everyday murders narrated here three in Manhattan and three in San Francisco these true stories prove redolent with drama encapsulating raw human emotions that often impel man to murder greed lust jealousy hatred as well as mere folly and actually are quite extraordinary in their own context Sit at the prosecution s table with masterful prosecutor Hugh Anthony Levine as he represents the People of the State of New York or the People of the State of California in the trials of some everyday murders A Checklist of the Publications of Dennis McMillan C. P. Stephens,1992 Jack the Ripper: the Man Behind the Blade S.M. Cornthwaite,2021-02-28 A theory like no other and an over century long secret revealed The Whitechapel murders during the Autumn of terror in 1888 left a city

paralyzed in fear The murderer went down in infamy as his identity has never been uncovered until now Many have speculated over the Ripper s identity since then but S M Cornthwaite believe to have truly uncovered the truth behind the mystery The author takes you on a journey of discovery by piecing together the evidence by using psychology sociology criminology and historical facts to reveal the truth The theory presented in these pages is one that hasn t been explored by anyone since the killings began Most researchers believe the Ripper to be a Polish Jew a lunatic or even some other known killer but you ll soon understand this couldn t possibly be the case how could everyone have gotten it so wrong for so long and not seen the horrible truth *The Proofreaders' Page and Other Uncollected Items* Fredric Brown, Phil

Borthwick, 2023-07-11

In two classic mysteries an English teacher by profession discovers that sleuthing of the strictly amateur variety may be where her truest passions lie J S Borthwick s debut novel *The Case of the Hook Billed Kites* takes Sarah Deane still a grad student at this point out of her natural New England habitat and into the wilds of Texas where her maybe boyfriend is keen on a spot of birdwatching But birds are not all that she spies through her binoculars and so the adventures begin In *The Down East Murders* Sarah is glad to be back on home ground but somebody it appears is not happy in any way at all and Sarah is forced and secretly thrilled to put her newfound detecting skills to use again Praise for the first two mysteries featuring Sarah Deane Miss Borthwick has a keen eye and a sharp pen The New York Times Borthwick has the right stuff The Washington Post Book World A top notch mystery that also gives the smell of the sea fresh in your face The Houston Post Very much in the Christie tradition will challenge the wits of the most veteran of armchair detectives Library Journal Witty appealing and thoroughly delightful an ingenious richly satisfying mixture of the classic elements of a murder mystery Mystery News *The Mistletoe Murders: A Nietzschean Murder Mystery* Mark

Romel, 2019-07-02 *The Mistletoe Murders* is a psychological and philosophical murder mystery drawing upon the great Arthurian tales cast in a Nietzschean light Heaven is on the far side of hell To get there you must travel through your nightmares You must confront the profoundest archetypes Those we have chosen are those of the world of King Arthur Come and meet Arthur Guinevere Lancelot Merlin Nimue the Black Knight the Green Knight Mordred the Fisher King and many others Venture into Camelot and the Grail Castle and find the Holy Grail But you must endure the Wasteland the end of hope before you have any prospect of encountering the Grail What price will you pay Would you risk it all to win it all This is not a

Finley,2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children s psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue **A Modern Mosaic** Townsend Ludington,2000 Examines the impact of the modernist art movement on American popular culture in a collection of critical essays The Shadow Walter Brown Gibson,1978-01-01 *Entertainment, Leisure and Identities* Alyson Brown,2009-03-26 This wide ranging collection of essays seeks to challenge the common sense assumption that entertainment activities have no function but to fill up otherwise empty moments As such it builds on the term coined by the Victorians Recreation and argues that in the entertainments people pursue they do not simply divert themselves but actively create and re create their identities The collection shows this process can only take place for those who enjoy the benefits of leisure hence in the medieval period leisure and entertainments are largely confined to the wealthy minority In periods of rapid social change like 19th century Britain the inter linked question of identity and entertainment became an issue of great concern Orderly and respectable activities were seen by many commentators as the key to containing the potential menace of the new urban population In the 20th century the development of new forms of mass entertainment such as cinema radio and television has generated new debates in particular about the potential of these new media to manipulate their audiences The essays arranged in broadly chronological order give fascinating and detailed snapshots of these processes as they unfold from the middle ages to the present day As such the collection makes a very valuable contribution to the historical study of the social and broadly defined political role played by entertainments in shaping and reinforcing identities In recent years the history of leisure and more particularly the history of leisure pursuits amusements and entertainments has engaged the attention of social historians who as well as highlighting their intrinsic interests have demonstrated the contribution which such studies can make to an understanding on social identities and class relationships This collection of essays explores a

wide and eclectic range of entertainments from medieval pet keeping Victorian chess tournaments and late 19th century museums of curiosities to French anarchist theatre and the career of Harry Belafonte themes which until now received little or no scholarly analysis As such it fills a significant gap in the historical literature G R Searle Emeritus Prof of History University of East Anglia and Fellow of the British Academy Brill's Companion to the Reception of Senecan Tragedy ,2016-02-02 In Brill s Companion to the Reception of Senecan Tragedy Eric Dodson Robinson incorporates essays by specialists working across disciplines and national literatures into a subtle narrative tracing the diverse scholarly literary and theatrical receptions of Seneca s tragedies The tragedies influential throughout the Roman world well beyond Seneca s time plunge into obscurity in Late Antiquity and nearly disappear during the Middle Ages Profound consequences follow from the rediscovery of a dusty manuscript containing nine plays attributed to Seneca it is seminal to both the renaissance of tragedy and the birth of Humanism Canonical Western writers from Antiquity to the present have revisited transformed and eviscerated Senecan precedents to develop in Dodson Robinson s words competing tragic visions of agency and the human place in the universe Monthly Murders ,1982-02-25 Product information not available *Down and Dirty* Mike Quarles,2010-06-21 Taboo breakers and trendsetters shameless hucksters and famous directors Exploitation filmmaking has seen it all Fred Olen Ray made his first movie for 298 In 1936 Marijuana Weed with Roots in Hell showed drug use and nudity on screen in an effort to educate the public Kroger Babb the man behind Mom and Dad spliced color medical footage of a baby s birth into his black and white classic Russ Meyer John Waters Andy Milligan Doris Wishman and many others are covered Classic films such as The Immoral Mr Teas The Texas Chainsaw Massacre and Nude on the Moon are examined Production techniques and innovations are also discussed
