The Freak Within:

Freak Show Legacies Gary S. Cross, 2021-05-06 Society has long been fascinated with the freakish shocking and strange In this book Gary Cross shows how freakish elements have been embedded in modern popular culture over the course of the 20th century despite the evident disenchantment with this once widespread cultural outlet Exploring how the spectacle of freakishness conflicted with genteel culture he shows how the condemnation of the freak show by middle class America led to a transformation and merging of genteel and freak culture through the cute the camp and the creepy Though the carnival and circus freak was marginalised by the 1960s and had largely disappeared by the 1980s forms of freakish culture survived and today appear in reality TV horror movies dark comedies and the popularity of tattoos **Freak Show Legacies** will focus less on the individual freak as the other in society and more on the audience for the freakish and the transformation of wonder sensibility and sensitivity that this phenomenon entailed It will use the phenomenon of the freak to understand the transformation of American popular culture across the 20th century identify elements of the freak in popular culture both past and present and ask how it has prevailed despite its apparent unpopularity *The Big Top on the Big Screen* Teresa Cutler-Broyles, 2020-01-10 Circuses and film are a natural pairing and the new essays making up this volume begin the exploration of how these two forms of entertainment have often worked together to create a spectacle of onscreen alchemy The films discussed herein are an eclectic group ranging from early silent comedies to animated 21st century examples in which circuses serve as liminal or carnivalesque spaces wherein characters and by extension audience members can confront issues as far reaching as labor relations sensuality identity ethics and more The circus as discussed in these essays encompasses the big top the midway the sideshow and the freak show it becomes backdrop character catalyst and setting and it is welcoming malicious or terrifying Circus performers are family friends foe or all of the above And film is the medium that brings it all together This volume starts the conversation about how circuses and film can combine to form productive exciting spaces where almost anything can happen **The Electric Woman** Tessa Fontaine, 2018-05-01 A New York Times Editors Choice A Southern Living Best Book of 2018 An Amazon Editors Best Book of 2018 A Refinery29 Best Book of 2018 A New York Post Most Unforgettable Book of 2018 Fascinating Vogue This is the story of a daughter and her mother It s also a memoir a love story and a tale of high flying stunts An adventure toward and through fear Southern Living Tessa Fontaine s astonishing memoir of pushing past fear **The Electric Woman** follows the author on a life affirming journey of loss and self discovery through her time on the road with the last traveling American sideshow and her relationship with an adventurous spirited mother Turns out one lesson applies to living through illness keeping the show on the road letting go of the person you love most and eating fire The trick is there is no trick You eat fire by eating fire Two journeys a daughter s and a mother s bear witness to this lesson in **The Electric Woman** For three years Tessa Fontaine lived in a constant state of emergency as her mother battled stroke after stroke But hospitals wheelchairs and loss of language couldn t hold back such

a woman she and her husband would see Italy together come what may Thus Fontaine became free to follow her own piper a literal giant inviting her to come play in the World of Wonders America s last traveling sideshow How could she resist Transformed into an escape artist a snake charmer and a high voltage Electra Fontaine witnessed the marvels of carnival life intense camaraderie and heartbreak the guilty thrill of hard earned cash exchanged for a peek into the impossible and most marvelous of all the stories carnival folks tell about themselves Through these Fontaine trained her body to ignore fear and learned how to keep her heart open in the face of loss A story for anyone who has ever imagined running away with the circus wanted to be someone else or wanted a loved one to live forever The Electric Woman is ultimately about death defying acts of all kinds especially that ever constant good old fashioned unconditional love *The Horror Reader* Ken Gelder,2000 Horror has been one of the most spectacular and controversial genres in both cinema and fiction its wild excesses relished by some vilified by many others Often defiantly marginal it nevertheless inhabits the very fabric of everyday life providing us with ways of imagining and classifying our world what is evil and what is good what is monstrous and what is normal what can be seen and what should remain hidden The Horror Reader brings together 29 key articles to examine the enduring resonance of horror across culture Spanning the history of horror in literature and film and discussing texts from Britain the United States Europe the Caribbean and Hong Kong it explores a diversity of horror forms from classic gothic literature like Frankenstein and Dr Jekyll and Mr Hyde to contemporary serial killers horror film fanzines and low budget movies such as The Leech Woman and The Texas Chainsaw Massacre Themes addressed include the fantastic horror and psychoanalysis monstrosities different Frankensteins vampires queer horror American gothic splatter and slasher films race and ethnicity lowbrow and low budget horror new regional horror The Reader opens with an introduction to the field of horror by Ken Gelder and each thematic section includes an introductory preface There is also a comprehensive bibliography of horror literature **The Female Grotesque** Mary Russo,2012-11-12 The grotesque the exaggerated the deformed the monstrous has been a well considered subject for students of comparative literature and art In a major addition to the literature of art cultural criticism and feminist studies Mary Russo re examines the grotesque in the light of gender exploring the works of Angela Carter David Cronenberg Bahktin Kristeva Freud Zizek Mary Russo looks at the portrayal of the grotesque in Western culture and by combining the iconographic and the historical locates the role of the woman s body in the discourse of the grotesque [American Literature in the Era of Trumpism](#) Dolores Resano,2022-08-23 This edited collection offers an exploration of American literature in the age of Trumpism understood as an ongoing sociopolitical and affective reality by bringing together analyses of some of the ways in which American writers have responded to the derealization of political culture in the United States and the experience of a new American reality after 2016 The volume s premise is that the disruptions and dislocations that were so exacerbated by the political ascendancy of Trump and his spectacle laden presidency have unsettled core assumptions about American reality and the possibilities of representation The blurring of the

relationship between fact and fiction bolstered by the discourses of fake news and alternative facts has not only drawn attention to the shattering of any notion of shared reality but has also forced a reexamination of the purpose and value of literature especially when considering its troubled relation to the representation of America The authors in this collection respond to the invitation to reassess the workings of fiction and critique in an age of Trumpism by considering some of the most recent literary responses to the new American realities including works by Colson Whitehead Ben Winters Claudia Rankine Gary Shteyngart Jennifer Egan and Steve Erickson to name but a few some of which were composed in the run up to the 2016 election but were able to accurately and incisively imagine the world to come

Subject Teaching and Teacher Education in the New Century Yin Cheong Cheng, Kwok Tung Tsui, King Wai Chow, Magdalena Mo Ching Mok, 2002-03-31 This 544 page book has 22 chapters prepared by experienced and renowned scholars and researchers from different parts of the world Grouped into three sections Information Technology Science and Mathematics Social Sciences and General Studies and Languages the chapters represent an important collection of international endeavours committed to facilitate the much needed paradigm shift in subject curriculum and pedagogy and reinforce the quest for a new knowledge base that can support the search for new conceptions models perspectives innovations and practices for teaching effectiveness and teacher development in different parts of the world The target audiences are teacher educators educators graduate students researchers policy makers and those interested to reform education and teacher education in the new century

The Inhuman Race Leonard Cassuto, 1997 In revealing the source of the ideology of whiteness in the imagination Cassuto turns to images of blackness in American literature and culture from 1622 to 1865 examining such texts as *Swallow Barn* *Uncle Tom's Cabin* *Typee* and *Moby Dick*

The Palgrave Handbook of Steam Age Gothic Clive Bloom, 2021-02-03 By the early 1830s the old school of Gothic literature was exhausted Late Romanticism emphasising as it did the uncertainties of personality and imagination gave it a new lease of life Gothic the literature of disturbance and uncertainty now produced works that reflected domestic fears sexual crimes drug filled hallucinations the terrible secrets of middle class marriage imperial horror at alien invasion occult demonism and the insanity of psychopaths It was from the 1830s onwards that the old gothic castle gave way to the country house drawing room the dungeon was displaced by the sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde Dracula Dorian Grey and Jack the Ripper After the death of Prince Albert 1861 the Gothic became darker more morbid obsessed with demonic lovers blood sucking ghouls blood stained murderers and deranged doctors Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety Christianity and imperial destiny Gothic literature filled these new spaces with a dread that spread like a plague to America France Germany and even Russia From 1830 to 1914 the period covered by this volume we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson Contributors also examine the fin de siècle

dreamers of decadence such as Arthur Machen M P Shiel and Vernon Lee and their obsession with the occult folklore spiritualism revenants ghostly apparitions and cosmic annihilation This volume explores the period through the prism of architectural history urban studies feminism hauntology and much more Horror as Poe teaches us is the soul of the plot

Sexuality at the Fin de Siècle Peter Maxwell Cryle, Christopher E. Forth, 2008 It has come to be widely accepted that sexuality as we know it took shape at the end of the nineteenth century This is when Krafft Ebing asserted that sexual feeling is really the root of all ethics and no doubt of aestheticism and religion and Havelock Ellis declared sexuality to be the central problem of life Yet however self evident Ellis s claim about sexuality might seem the act of placing something at the center is the consequence of insistent cultural work that engages with competing views about bodies and indeed about the life of society This volume examines how this work was carried out and what resulted from such efforts BOOK JACKET

Freakery Rosemarie Garland-Thomson, 1996-10 A groundbreaking anthology that probes the disposition towards the visually different Giants Midgets Tribal non Westerners The very fat The very thin Hermaphrodites Conjoined twins The disabled The very hirsute In American history all have shared the platform equally as freaks human oddities their only commonality their assigned role of anomalous other to the gathered throngs For the price of a ticket freak shows offered spectators an icon of bodily otherness whose difference from them secured their own membership in a common American identity by comparison ordinary tractable normal Rosemarie Thomson s groundbreaking anthology probes America s disposition toward the visually different The book s essays fall into four main categories historical explorations of American freak shows in the era of P T Barnum the articulation of the freak in literary and textual discourses contemporary relocations of freak shows and theoretical analyses of freak culture Essays address such diverse topics as American colonialism and public presentations of natives laughing gas demonstrations in the 1840 s Shirley Temple and Tom Thumb Todd Browning s landmark movie *Freaks* bodybuilders as postmodern freaks freaks in Star Trek Michael Jackson s identification with the Elephant Man and the modern talk show as a reconfiguration of the freak show In her introduction Thomson traces the freak show from antiquity to the modern period and explores the constitutive political and textual properties of such exhibits

Freakery is a fresh insightful exploration of a heretofore neglected aspect of American mass culture **Beyond the Sea** Felan Parker, Jessica Aldred, 2018-11-09 The Bioshock series looms large in the industry and culture of video games for its ambitious incorporation of high minded philosophical questions and retro futuristic aesthetics into the ultraviolent first person shooter genre *Beyond the Sea* marks ten years since the release of the original game with an interdisciplinary collection of essays on Bioshock Bioshock 2 and Bioshock Infinite Simultaneously lauded as landmarks in the artistic growth of the medium and criticized for their compromised vision and politics the Bioshock games have been the subject of significant scholarly and critical discussion Moving past well trodden debates *Beyond the Sea* broadens the conversation by putting video games in dialogue with a diverse range of other disciplines and cultural forms from parenting psychology to

post humanism from Thomas Pynchon to German expressionist cinema Offering bold new perspectives on a canonical series Beyond the Sea is a timely contribution to our understanding of the aesthetics the industry and the culture of video games Contributors include Daniel Ante Contreras Miracosta Luke Arnott Western Ontario Betsy Brey Waterloo Patrick Brown Iowa Michael Fuchs Graz Jamie Henthorn Catawba Brendan Keogh Queensland Cameron Kunzelman Georgia Cody Mejeur Michigan State Matthew Thomas Payne Notre Dame Gareth Schott Waikato Karen Schrier Marist Sarah Stang York Ryerson Sarah Thorne Carleton John Vanderhoef California State Dominguez Hills Matthew Wysocki Flagler Jordan R Youngblood Eastern Connecticut State and Sarah Zaidan Emerson

Sex and Sexuality in Modern Southern Culture Trent Brown, 2017-09-18 In the American imagination the South is a place both sexually open and closed outwardly chaste and inwardly sultry Sex and Sexuality in Modern Southern Culture demonstrates that there is no central theme that encompasses sex in the U S South but rather a rich variety of manifestations and embodiments influenced by race gender history and social and political forces The twelve essays in this volume shine a particularly bright light on the significance of race in shaping the history of southern sexuality primarily in the period since World War II Francesca Gamber discusses the politics of interracial sex during the national civil rights movement while Katherine Henninger and Rich Richardson each consider the intersections of race and sexuality in the blaxploitation film Mandingo and the comedy of Steve Harvey respectively Political and religious regulation of sexual behavior also receives attention in Claire Strom s essay on venereal disease treatment in wartime Florida Stephanie M Chalifoux s examination of prostitution networks in Alabama Krystal Humphreys s piece on purity culture in modern Christianity and Whitney Strub s essay delving into the sexual politics of the Memphis Deep Throat trials Specific places in the South figure prominently in Jerry Watkins s essay on queer sex in the Redneck Riviera of northern Florida Richard Hourigan s exploration of bachelor parties in Myrtle Beach and Matt Miller s piece on African American spring break celebrations in Atlanta Finally Abigail Parsons and Trent Brown investigate southern portrayals of gender and sexuality in the fiction of Fannie Flagg and Larry Brown Above all Sex and Sexuality in Modern Southern Culture demonstrates that sex has been a fluid and resilient force operating across multiple discourses and practices in the contemporary South and remains a vital component in the perception of a culturally complex region

Freaks in Late Modernist American Culture Nancy Bombaci, 2006 Freaks in Late Modernist American Culture explores the emergence of what Nancy Bombaci terms late modernist freakish aesthetics a creative fusion of high and low themes and forms in relation to distorted bodies Literary and cinematic texts about freaks by Nathanael West Djuna Barnes Tod Browning and Carson McCullers subvert and reinvent modern progress narratives in order to challenge high modernist literary and social ideologies These works are marked by an acceptance of the disteleology anarchy and degeneration that racist discourses of the late nineteenth and early twentieth centuries associated with racial and ethnic outsiders particularly Jews In a period of American culture beset with increasing pressures for social and political conformity and with the threat of

fascism from Europe these late modernist narratives about freaks defy oppressive norms and values as they search for an anarchic and transformational creativity

Midgetism Erin Pritchard, 2023-04-14 There exist problematic attitudes and beliefs about dwarfism that have rarely been challenged but continue to construct people with dwarfism as an inferior group within society This book introduces the critical term midgetism which the author has coined to demonstrate that the socio cultural discrimination people with dwarfism experience is influenced by both heightism and disablism As a result it unpacks and challenges the problematic social assumptions that reinforce midgetism within society including the acceptability of midget entertainment and non normate space to demonstrate how particular spaces can either aid in reinforcing or challenge midgetism Drawing on the tripartite model of disability this book demonstrates how midget entertainment is framed as a non normative positivism which makes it an acceptable form of employment Using autocritical discourse analysis the book exposes examines and responds to excuses that are used to reinforce midgetism thus critiquing the numerous beliefs influenced by cultural representations of dwarfism such as people with dwarfism being acceptable figures of entertainment It will be of interest to all scholars and students of disability studies social history sociology and cultural geography

The Megarhetorics of Global Development Rebecca Dingo, J. Blake Scott, 2012-01-29 After World War II an unprecedented age of global development began The formation of the World Bank and the International Monetary Fund allowed war torn and poverty stricken nations to become willing debtors in their desire to entice Western investment and trade New capital it was foretold would pave the way to political and economic stability and the benefits would trickle down to even the poorest citizens The hyperbole of this neocolonialism however has left many of these countries with nothing but compounded debt and unfulfilled promises The Megarhetorics of Global Development examines rhetorical strategies used by multinational corporations NGOs governments banks and others to further their own economic political or technological agendas These wide ranging case studies employ rhetorical theory globalization scholarship and analysis of cultural and historical dynamics to offer in depth critiques of development practices and their material effects By deconstructing megarhetorics at both the local and global level and following their paths of mobilization and diffusion the concepts of progress and growth can be reevaluated with the end goal of encouraging self sustaining and ethical outcomes

The Ascendance of Harley Quinn Shelley E. Barba, Joy M. Perrin, 2017-10-12 Since her first appearance in 1992 Harley Quinn eccentric sidekick to the Joker has captured the attention of readers like few new characters have in eight decades of Batman comics Her bubbly yet malicious persona has earned her a loyal and growing fan base as she has crossed over into television theater video games and film In this collection of new essays contributors explore her various iterations focusing on her origin and contexts the implications of her abusive relationship with the Joker her relationships with other characters her representations across media and the philosophic basis of her character

The Palgrave Handbook of Incarceration in Popular Culture Marcus Harmes, Meredith Harmes, Barbara Harmes, 2020-02-03 The Handbook of Incarceration in Popular Culture will be an

essential reference point providing international coverage and thematic richness The chapters examine the real and imagined spaces of the prison and perhaps more importantly dwell in the uncertain space between them The modern fixation with seeing inside prison from the outside has prompted a proliferation of media visions of incarceration from high minded and worthy to voyeuristic and unrealistic In this handbook the editors bring together a huge breadth of disparate issues including women in prison the view from inside prisons as a source of entertainment the real worlds of prison and issues of race and gender The handbook will inform students and lecturers of media film popular culture gender and cultural studies as well as scholars of criminology and justice *Analysing Gender in Performance* J. Paul Halferty, Cathy Leeney, 2022-12-12

Analysing Gender in Performance brings together the fields of Gender Studies and Performance Analysis to explore how contemporary performance represents and interrogates gender This edited collection includes a wide range of scholarly essays as well as artists voices and their accounts of their works and practices The Introduction outlines the book's key approaches to concepts in English language gender discourses and gender's intersectionalities and sets out the approaches to performance analysis and methods of research employed by the various contributors The book focuses on performances from the Global North staged over the past fifty years Case studies are diverse ranging from site specific dance theatre speculative drag installation and music video performances to Mabou Mines Churchill Shakespeare and Ibsen Contributors explore how gender intersects with sexuality social class race ethnicity indigeneity culture and history Read individually or in tension with one another the essays confront the contemporary complexities of analysing gender in performance

Standing in the Shadows of Street Legends Vernon Lucas, 2010-06-01 I have heard it said that we all shall pay for the sins of the father Someone once told me that when the next generation has it rough its because they are reaping what the generation before them has sowed This is what Creole people would call Blood Magic in the Basement or so Ive been told I am Vernon Lucas II and my father was a kingpin in the heroin drug trade I cant say that my adult life has been easy but at least as a child I never really wanted for anything Ive been told that since my family has helped to poison many people in America with illegal drugs that I was cursed to suffer in my adult life for their sins I almost believed that for a time I felt very restless in my adult life and very few goals that I set for myself ever worked out for me I felt ashamed and even embarrassed by my family until I began to research the reasons why they did what they did in the first place My father and his brothers came from very humble beginnings His mother my Grandmother was a field hand housewife and her husband my Grandfather was a share cropper as well as a bootlegger They lived loved and struggled in the segregated south of the early 1900s There have been rumors about how mean my Grandfather was but by the time I had to live with him he was much kinder and gentler My Fathers brother Frank Lucas was at least 20 years older than he was so it was natural for him to look up to my Uncle Frank as not only an older brother but also as somewhat of a Father figure Frank left home at a very early age to make his own way in life and turned to a life of crime out of necessity He became one of the best at what he did It was

just a matter of time before my father eventually followed in his footsteps I am by no means condoning what they did in the 60s the chicken or the egg Meaning Was my lifes emotional instability inherited or was it caused by the way I had to live You be the judge I am hoping this autobiography serves some as a manual as well as entertainment through self education So in synopsis what Im trying to convey is that the Lucas family is so much more than this gangster image

Uncover the mysteries within Explore with is enigmatic creation, **The Freak Within** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
