AND THE OLYMPIANS  
THE LIGHTNING THIEF

The background of the entire poster is a dynamic illustration of Percy Jackson. He is shown from the chest up, emerging from a turbulent, dark blue sea. He has dark, curly hair and green eyes, looking directly at the viewer with a determined expression. He is wearing a dark jacket over an orange shirt. In his right hand, he holds a large, silver sword with a blue hilt, which is angled across the frame. The sea around him is dark and swirling, with white foam and bubbles. In the background, a city skyline is visible under a dark, stormy sky with bright, jagged lightning bolts. The overall color palette is dominated by blues, greys, and the orange of Percy's shirt.

*Makings of a Monster* Charlie Freeland, Baldur's Gate meets Paradise Lost in this deeply emotional fantasy novel This novel stands at the intersection of classical Shakespearean tragedy dark fantasy mythological epic and psychological realism It draws on the tragic hero archetype while also engaging with the modern fantasy tradition of morally ambiguous characters and bleak complex worlds Its themes of power betrayal and inner conflict connect it to a broad spectrum of literature from Greek tragedy to modern grimdark fantasy Velimir escaped the mass murder of children He survived in the cold streets of Oligorsk by his will fury and the frightening yet alluring presence of his dreams When his cunning catches the eye of a prominent citizen he gets adopted into better prospects at life Yet all is not as good as it seems The man Velimir calls father is cruel and demands absolute obedience from his family Velimir grows into a peerless warrior and a man every bit as furious as the defiant urchin in the streets His celestial blood beckons beyond mortality But can love survive in a heart caged with steel cast in a merciless world Stakes are high as blood calls to blood and children of wrathful divine blood clash
