A Lakeside Reunion C. Chilove, 2023-04-04 This summer escape to the Shores, a Southern lake town full of elegance and glamour, in a story about family traditions, friendship, and a love that can't be denied for readers of Sunny Hostin's Summer on Sag Harbor. Chareese Reese Devlin spent every summer of her childhood in the lake town of Mount Dora, Florida, where her days were filled with fun in the sun. Reese never realized that the idyllic haven hid a deep divide between the town's haves and have-nots. Not until the summer she turned seventeen and fell for Duncan McNeal, a boy who lacked the pedigree so valued by her parents and their equally well-connected friends. After her family squashed the budding romance, Reese refused to return to the place she lost her heart. Now ten years later, she's back to attend her sister's debutante ball and must come to terms with all she's missed. But the biggest surprise of all is that Duncan is now a successful real estate developer in Mount Dora, and time hasn't weakened the connection between them. Behind the multimillion-dollar homes of the Shores lay old grudges and secrets capable of collapsing any family legacy. As the summer progresses, Reese must fix the sins of the past by facing the lines between truth and deception, tradition and breaking free, and family expectations and self-discovery.

The New Blue Music Richard J. Ripani, 2009-09-23 Rhythm John Lee Hooker, Ray Charles, James Brown, Earth Wind & Fire, Michael Jackson, Public Enemy, Mariah Carey, and Usher take center stage as the author illustrates how R & B has not only retained its traditional core style but has also experienced a re-Africanization over time. By investigating musical elements of form, style, and content in R & B and offering numerous musical examples, the book shows the connection between R & B and other forms of American popular and religious music, such as spirituals, ragtime, blues, jazz, country, gospel, and rock & roll. With this evidence in hand, the author hypothesizes the existence of an even larger musical super-genre which he labels The New Blue Music.
