The Fulfilling Marriage Eleven Steps Anyone Can Take To Get There:

The Fulfilling Marriage Billy Crone, 2005 The Fulfilling Marriage is a book that will lead you through the 11 steps of having a lasting and fulfilling marriage things anyone can do As Rev Crone points out people will end a relationship not because of irreconcilable differences but because they refuse to reconcile their differences Here he gives us the tools to overcome those obstacles to a fulfilling marriage tools he has seen work for many couples Being married doesn't mean your life is always filled with personal pain and silent suffering God never said that it'll be easy He just said it's going to take some time and lots of work And if we'll just get back to God's plan for marriage then we're on our way to having The Fulfilling Marriage

Sexperiment Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it's okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn't taken it far enough God wants couples to make love in marriage with passion with purpose and with pleasure Marriages aren't experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it's more than a chore The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks

The Gift of Fulfillment Michael Dinneen, 2013-08-13 An easy to follow plan for living that has changed the lives of millions based on the time tested Twelve Steps of recovery

The Sermon on the Mount, the Twelve Steps, and the Royal Road Daniel Hazelwood, 2018-04-13 In The Sermon on the Mount the Twelve Steps and the Royal Road Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seeker's walk
