International Who's Who in Poetry 2005 Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets **Canadian Literature in English** W. J. Keith,2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words *Complete Poems* Claude McKay,2004-01-29 Containing more than three hundred poems including nearly a hundred previously unpublished works this unique collection showcases the intellectual range of Claude McKay 1889 1948 the Jamaican born poet and novelist whose life and work were marked by restless travel and steadfast social protest McKay s first poems were composed in rural Jamaican creole and launched his lifelong commitment to representing everyday black culture from the bottom up Migrating to New York he reinvigorated the English sonnet and helped spark the Harlem Renaissance with poems such as If We Must Die After coming under scrutiny for his communism he traveled throughout Europe and North Africa for twelve years and returned to Harlem in 1934 having denounced Stalin s Soviet Union By then McKay s pristine violent sonnets were giving way to confessional lyrics informed by his newfound Catholicism McKay s verse eludes easy definition yet this complete anthology vividly introduced and carefully annotated by William J Maxwell acquaints readers with the full transnational evolution of a major voice in twentieth century poetry *A Concordance to The Collected Poems of Sylvia Plath* Richard M. Matovich,1986 *Kalevala : the Epic Poem of Finland* — *Complete* Anonymous,2022-09-04 The Kalevala the Epic Poem of Finland is a monumental collection of mythical narratives that intertwine folklore and history capturing the essence of Finnish culture and identity Constructed through a masterful assemblage of oral traditions and poetic forms this epic unfolds a tapestry of heroes goddesses and the profound interplay of nature and humanity Its rich trochaic tetrameter mirrors the oral storytelling practices creating a rhythmic flow

that immerses readers in the enchanting landscapes and conflicts of ancient Finland The origins of the Kalevala are steeped in the dedication of its compiler Elias Lönnrot a physician and philologist whose life was marked by a profound commitment to the preservation of Finnish folklore Lönnrot traveled extensively through rural Finland collecting songs and tales that had been passed down through generations This deep engagement with the oral traditions informed his vision of a national epic that not only celebrates Finnish culture but also serves as a resistance against Russian domination in the 19th century I highly recommend the Kalevala to readers interested in mythology literature and cultural identity This timeless epic is not only a reflection of Finnish heritage but also resonates universally inviting contemplation on the power of storytelling and the collective human experience

**The Letters of John Sutherland, 1942-1956** John Sutherland,1992-12 From the beginning John Sutherland recognized that his literary gifts lay in criticism rather than in poetry His independence from the academy and his largely autodidactic training gave him a unique perspective as a critic of Canadian literature What these letters document beyond a purely personal struggle is a period 1942 1956 of great importance in the development of Canadian poetry and it is above all the nuts and bolts of that development that they bring into keen relief the economics of publishing books and literary magazines in the days before The Canada Council and the difficulty if not the impossibility of trying wholly to live a life in literature at that time
