## **The Fullerton Saga:**

**The Fullerton Saga** Caren Lerman, Kim Ingraham, 2004-07-01 When he came to Dallas as a boy in the 30s Evan Fullerton never dreamed of the dizzy heights his ultimate career in real estate would take him marrying the daughter of one of the wealthiest families in Texas and helping push the Dallas skyline into the Texas sky and become one of the major cities in the country His wife Gabrielle became the major concern in his life and together they moved up the social ladder produced a son Trevor who became as successful as his father and a daughter Cynthia who turned out to be a major disappointment This fascinating story covers four decades of the Fullerton family winding up with an unexpected and terrifying tragic climax all loosely based on the real life family of one of the authors *The Saga of a Supercargo* Fullerton Leonard Waldo, 1926 Description of Greenland voyage *Enraptured* Ginger Voight, 2014-02-28 In the third and final book of the Fullerton Family Saga long simmering secrets explode with disastrous consequences The fractured Fullertons face their biggest challenges yet and every single one must rise to their own personal challenges and beat their demons once and for all no matter what it takes In the conclusion of this best selling highly rated series author Ginger Voight once again raises the stakes for her characters and her readers These characters you have grown to love and hate are faced with heart wrenching challenges that will test them unlike anything they've experienced so far In the end only love can save them It is a message of hope family and forgiveness amidst the exciting backdrop of excess and power **A Prayer for the Ship** Douglas Reeman, 2005-02-01 Small quick moving torpedo boats played a vital role in protecting the Allied convoys in the English Channel and the North Sea during World War II and Sub Lieutenant Clive Royce is newly assigned to MTB 1991 joining a crew already seasoned by death and fear Now it is up to him to take the place of their dead first lieutenant and earn the respect of his captain and crewmates **Enticed** Ginger Voight, 2014-01 Rachel Dennehy had a crazy thought If she could just start over somewhere else she could forget about her sad and tragic past and all the ghosts that chased her When an email landed in her inbox to tutor a difficult student whose father just happened to be the CEO of one of the biggest companies in the nation the apple was a bit too enticing for Rachel to refuse She moves from Texas to Beverly Hills where she is tasked with turning around her wealthy pupil's bad attitude It is a bad attitude that stems almost entirely from his parents ugly divorce and even uglier custody battle That her new boss Andrew or Drew Fullerton is one of the handsomest and most eligible bachelors in the world means nothing to Rachel She has absolutely no plans to ever marry or have kids of her own Her priority is teaching nine year old Jonathan who needs her guidance and her direction and most importantly her friendship Drew's brother Alex however assumes otherwise He basically accuses her of being a gold digging opportunist upon their first meeting This sets the two immediately at odds though they both have young Jonathan's best interest at heart Alex believes that Rachel is a ringer a wholesome alternative to edge Jonathan's socialite mother out of the running for custody since she left Drew after her own salacious affair with a younger man He wastes no time in telling Rachel that as

long as she stays in her job she will keep Jonathan from his real mother and that is the driving force behind Drew's interest. Unfortunately the more he tries to warn her away from Drew the closer he ultimately propels her toward her charming boss. Drew never questions her motivation or her presence because Jonathan thrives under her tutelage and Drew is beguiled by her no nonsense attitude that challenges him from the start. Rachel navigates these choppy waters solely to protect Jonathan. She sees the adults in the family as self-serving, most of whom are far more interested in hurting each other than taking care of this fragile vulnerable boy. Her heart traps her into this sticky web despite her own history of loss and betrayal. How long will she last? More importantly, what will she be required to give to save these Fullerton men who continually tug her in three different directions. The saga begins with the first book titled *Enticed* due to release in early 2014. Author Ginger Voight returns to the dream-making landscape of Los Angeles in a new tale that throws back the curtain on the dangerous power appeal and excess of the privileged. Only by the time this tale is done, one principle character will pay the ultimate price as they all race toward that elusive happily ever after.

**Catalog of Printed Books** Bancroft Library, 1964 [Enraptured](#), 2014. In the conclusion of this best-selling highly rated series, author Ginger Voight once again raises the stakes for her characters and her readers. These characters you have grown to love and hate are faced with heart-wrenching challenges that will test them unlike anything they've experienced so far. In the end, only love can save them. It is a message of hope, family, and forgiveness amidst the exciting backdrop of excess and power.

[Escape From Hell](#) V. A. Stuart, 2005-04-01. With the Sepoy Mutiny still threatening British lives in India, Commander Phillip Hazard volunteers to accompany a special army force to rescue the besieged British garrison at Ghorabad. Hazard and the men of the Shannon's Naval Brigade are put under the command of Colonel Cockayne, a cavalry officer whose own wife and daughter are among those caught in the siege. In this final book of the Hazard series, Hazard finds himself in the thick of the battle, desperately trying to rescue survivors and facing the dangers and betrayals that come with command and war.
