## **The Fundamentalist Movement 1930 1956:**

The Fundamentalist Movement, 1930-1956 Louis Gasper, 1981      **Training Disciplined Soldiers for Christ** Tim W. Callaway, 2013-04-17 The comparative scarcity of academic attention given Prairie Bible Institute located at Three Hills Alberta Canada serves as the primary motivation behind this book This work should therefore be regarded as an attempt to contribute to and refine the very small amount of research available regarding how Prairie Bible Institutes first half century should be understood and interpreted by students of North American church history Drawing on an insiders perspective of PBI former PBI staff kid Tim W Callaway challenges the adequacy and accuracy of Canadian scholar Dr John G Stackhouse Jr s inference that the kind of sectish evangelicalism that typified PBI in the twentieth century was substantially different from the characteristics that define the traditional understanding of American fundamentalism The undertaking contained in these pages advances the perspective that Prairie Bible Institute during the L E Maxwell era did in fact reflect the influence and attributes of American fundamentalism to a far greater extent than what Stackhouse allowed for in his research      **The Oxford Handbook of Christian Fundamentalism** Andrew Atherstone, David Ceri Jones, 2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged      *The Moody Handbook of Theology* Paul Enns, 2014-03-27 The study of God His nature and His Word are all essential to the Christian faith Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of *The Moody Handbook of Theology* In this classic and timeless one volume resource Paul Enns offers a comprehensive overview of the five dimensions of theology biblical systematic historical dogmatic and contemporary Each section includes an introduction chapters on key points specific studies pertinent to that theology books for further study and summary evaluations of each dimension Charts graphs glossary and indexes add depth and breadth Theology once the domain of academicians and learned pastors is now accessible to anyone interested in understanding the essentials of what Christians believe *The Moody Handbook of Theology* is a concise doctrinal reference tool for newcomers and seasoned veterans alike      Jesus "The Way, The Truth and The Life" Thd Bish, 2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though

the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact [www.ronaldbish.com](http://www.ronaldbish.com)      **Disfellowshipped** Gerald W. King, 2011-08-05 Employing studies in population ecology as a framework for understanding the growth of religious movements Disfellowshipped traces the growth of the Pentecostal movement The author explores how the Pentecostal movement developed in relationship to Fundamentalism from its roots in the Holiness movement to the formation of the National Association of Evangelicals Particular attention is given to the various critiques and rebuttals exchanged between Fundamentalists and Pentecostals exploring how these two movements influenced and shaped one another This book shows how despite their mutual antagonism these two movements held far more in common than in contrast This book will be of great importance to all those interested in the history of Fundamentalism and the rise of Pentecostalism      The Story of Faith Missions Klaus Fiedler, 2011-07-20 Born of nineteenth century Evangelical Awakening and closely linked to Hudson Taylor and the China Inland Mission he founded in 1865 faith missions were unique in two key areas they were interdenominational and they held firmly to the faith principle of financial support The faith mission movement has lost none of its vitality and relevance as it continues to play an important evangelistic role in Africa and worldwide The result of more than a decade of research in Africa Europe and the United States and extensively supported by maps and charts this book is the most comprehensive study available on the faith mission movement in Africa Setting faith missions in the context of the many revival and missionary movements which have shaped Protestant church history the author describes their spiritual and practical evolution over 125 years and outlines the challenges they face today      **Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others      **Strangers in Zion** William Robert Glass, 2001 This story has been virtually ignored by historians of fundamentalism and historians of religion in the South Glass has written a history that fills a significant gap in the historical literature on fundamentalism and on religion in the American South As such he lays the groundwork for understanding the South's contribution to the growth of the religious right in second half of the twentieth century BOOK

JACKET **The Psychology of Religious Fundamentalism** Peter C. Hill, William Paul Williamson, 2005-03-31 This book presents an innovative psychological framework for understanding religious fundamentalism Blending extensive research and incisive analysis the highly regarded authors distinguish fundamentalist traditions from other faith based groups and illuminate the thinking and behavior of believers Offering respectful historically informed examinations of several major fundamentalist groups the volume challenges many commonly held stereotypes In the process it stakes out important new terrain for the psychological study of religion BOOK JACKET Fighting Fundamentalist Markku Ruotsila, 2016 Markku Ruotsila's *Fighting Fundamentalist* restores the controversial fundamentalist pastor and broadcaster Carl McIntire to his place as one of the most influential religious leaders in twentieth century United States and one of the principal founders of the Christian Right **Compendio Portavoz de teología** Paul Enns, 2011-05-05 El doctor Enns presenta al lector un análisis exhaustivo de las cinco dimensiones de la teología a blica sistemática histórica dogmática y contemporánea Los lectores encontrarán información provechosa en los capítulos de feminismo evangélico teología carismática y la iglesia emergente además del nuevo material sobre la apertura de Dios las interpretaciones del arrebatamiento y la teología de la salud y la riqueza Introduce the reader to the five dimensions that provide a comprehensive view of theology Biblical Theology Systematic Theology Historical Theology Dogmatic Theology and Contemporary Theology **Past and Prospect** Stan Ingersol, 2014-05-20 Today the Church of the Nazarene faces issues that arise directly out of its past For that reason *Past and Prospect* argues that Nazarenes will be better equipped to face their future as a church armed by an understanding of their own history Church historian Stan Ingersol examines issues that have characterized the Nazarene way of life during that denomination's first century showing how the trajectory shaped by the church's founders has been altered through time by the shifting tides of Fundamentalism mainstream Evangelicalism global expansion and the culture of affluence He contends that current disagreements over polity holiness and worship are largely echoes and projections of tensions that have been present in the denomination since its very beginning As the reader will discover the common denominator running through these chapters is the prospect of rediscovering a relevant and useful past *Founding Sins* Joseph Solomon Moore, 2016 In *Founding Sins* Joseph Moore examines the forgotten history of the Covenanters America's first Christian nationalists He explores how they profoundly shaped American's understandings of the separation of church and state and set the acceptable limits for religion in politics for generations to come **Bad Girls and Boys Go to Hell (or not)** Gloria Neufeld Redekop, 2012-07-26 To question the idea of hell as a default destination is to question the entire fundamentalist evangelical worldview This book does just that Fundamentalist evangelicalism holds that the Bible is an infallible authority and that all are born in sin Sinners go to hell but Jesus taking their place died to save them from hell How did this belief come to be What were the effects on people brought up with a belief in the reality of hell What has been the process of people leaving the fundamentalist evangelical movement In *Bad Girls and Boys Go To Hell or not* Gloria Neufeld Redekop takes us on her own

personal journey as she engages a movement in which she was raised conducting a careful study of the history of fundamentalist evangelicalism the attachment to a literal factual interpretation of the Bible and an analysis of the experience of those who have left the movement      **Southern Baptists Observed** Nancy Tatom Ammerman,1993      The Crisis of Evangelical Christianity Keith C. Sewell,2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orb ed understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century      Evangelical Dictionary of Theology Daniel J. Treier,Walter A. Elwell,2017-11-07 This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer      *Isms and Schisms* Milton Jones,2013-10-22 In these confusing times it is important to understand the differences in doctrine and position that exist in the contemporary religious scene These differences really do matter What is the difference between Evangelicalism and Fundamentalism What is the difference between apostasy and heresy Do associations matter This volume traces the various nuances of belief and disbelief beginning at Atheism and ending with subject of heresy This treatment is not exhaustive but strives to cover the Isms and Schisms that influence our times      The Evangelicals Robert Krapohl,Charles H. Lippy,1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of

modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing
