

A photograph of a dirt path leading through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The path is light-colored and leads towards a bright, hazy opening in the distance. The overall mood is peaceful and contemplative.

I served the famous professors and scholars,
and eventually they learned that the Reverend
Moon is superior to them. Even Nobel laureate
academics who thought they were at the center
of knowledge are as nothing in front of me.
