The Future Of Tibet The Government In Exile Meets The Challenge Of Democratization:

The Future of Tibet Helen R. Boyd, 2004 This book discusses the emergence of democracy's modernizing force in an exiled community with a political history based on a feudal theocracy Since his exile almost forty years ago the Dalai Lama and his government in exile have steered this fledgling democratic community toward the fulfillment of his dream of converting a theocracy to a democracy The establishment of a tripartite government with separate powers and the development of a framework for a future democratic polity if and when Tibetans regain their land is a testament to the ongoing democratizing revolution

Varieties of Secularism in Asia Nils Ole Bubandt, Martijn Van Beek, 2012-03-12 Varieties of Secularism is an ethnographically rich theoretically well informed and intellectually coherent volume which builds off the work of Talal Asad Charles Taylor and others who have engaged the issue of secularism s and in socio political life The volume seeks to examine theories of secularism secularity and examine concrete ethnographic cases in order to further the theoretical discussion Whereas Taylor s magisterial work draws up the conditions and problems of a belief in God in Western modernity it leaves unexplored the challenges posed by the spiritual in modernity outside of the North Atlantic rim This anthology seeks to begin that task It does so by suggesting that the kind of secularity described by Taylor is only one amongst others By attending to the shifting relationship between proper religion and bad faiths between politically valorised and embarrassing spiritual phenomena between the new visibilities and silences of magic ancestors and religion in democratic politics this book seeks to outline the particular formations of secularism that have become possible in Asia from China to Indonesia and from Bahrain to Timor Leste This book will appeal to students and scholars of Asian religion politics and anthropology
