The Future Of White Men And Other Diversity Dilemmas:

The Future of White Men and Other Diversity Dilemmas Joan Steinau Lester, 2016-03-22 This refreshing handbook equally useful in the boardroom the classroom and the living room captures insightful lessons from personal encounters with diversity Award winning author Dr Joan Lester is a talented storyteller Her generous voice sheds keen insight humor and practical advice on the polarizing dilemmas of living with diversity

Minority Student Retention Alan Seidman, 2019-05-23 Student retention continues to be a vexing problem for all colleges and universities In spite of the money spent on creating programs and services to help retain students until they achieve their academic and personal goals and graduate the figures have not improved over time This is particularly true for minority students who have a greater attrition rate than majority students Demographic information shows that the minority population in the United States is growing at a faster rate than the majority It is imperative that educational institutions find ways to help improve retention rates for all students but particularly minority students Retention rates should not differ appreciably among different racial ethnic groups The Journal of College Student Retention Research Theory and Practice is the only scholarly peer reviewed journal devoted solely to college student retention It has published many articles on minority student retention and this topic continues to garner much attention This book is a compilation of the very best of these articles selected on the basis of reviews by a cadre of experts in the education field The articles discuss African American Latino Latina Asian and Asian Pacific Native American and biracial students and institutional commitments to retaining a diverse student population For those interested in this vital area the collection will teach and inspire them to achieve greater heights and pay additional attention to retaining minority students in our colleges and universities

Weaving the Fabric of Diversity Jacqui James, Judith Frediani, José A. Ballester y Marquez, 1996

Waging Peace in Our Schools Linda Lantieri, Janet Patti, 1998-07-01 From the largest and most successful school initiatives in social and emotional learning in the country The Resolving Conflict Creatively Program now active in more than 350 schools nationwide comes a powerful practical guide for teaching young people to empathize mediate negotiate and create peace The authors address everything from minor schoolyard conflicts to violent outbursts and offer educators and parents proven strategies for enhancing children's emotional social and conflict resolution skills

Sweet Dreams in America Sharon D. Welch, 2016-04-22 What does it mean to be an American during this time of ongoing challenges of race and sex discrimination of violence and gross disparities in economic opportunity And where are the activists who traditionally rallied against the ills of America the democrats progressives and leftists to seize upon these enemies In *Sweet Dreams in America* Sharon Welch charts a way for people in power to inspire others and themselves even if the goals of a gradually improving society and of achieving social justice seem illusory The author links political work to spirituality showing how we can channel the sense of being connected to forces outside ourselves to a larger good

Whiteness Mike Hill, 1997-07 An anthology of white culture
