**Neglected Scorsese** Phillip Sipiora, Gary D. Rhodes, 2025-09-18 This collection examines over a dozen of Martin Scorsese's most overlooked works including the television shows music videos television commercials and feature films that have been largely ignored by film critics and or the moviegoing public From After Hours 1985 and New York Stories 1989 to Il Mio Viaggio 1999 The Age of Innocence 1993 and The Aviator 2004 Neglected Scorsese reclaims the director's less appreciated works giving them the respect and attention they deserve Scorsese is one of the finest directors in film history Of all New Hollywood directors he remains the most active the most indispensable the most new not only changing with the times but changing the times through the magnitude of his work Without Scorsese's gangster films the global gangster genre would not be the same nor anywhere near as accomplished and without his filmography the entirety of American cinema would be greatly diminished The purpose of this book is not about bringing more attention to Scorsese the director or to his most notable films Rather it argues that Scorsese's lengthy career has produced individual works that have been neglected even while others have been lauded Neglected in this collection is defined as those Scorsese films that were underappreciated by mainstream critics by mainstream audiences by scholars or by any combination of the three Further the book's focus goes beyond feature films as Scorsese has directed shorts music videos television programs and TV commercials There is intrinsic value in these film forms just as there is value in the analysis of those Scorsese directed Martin Scorsese's America Ellis Cashmore, 2013-05-08 For over four decades Martin Scorsese has been the chronicler of an obsessive society where material possessions and physical comfort are valued where the pursuit of individual improvement is rewarded and where male prerogative is respected and preserved Scorsese has often described his films as sociology and he has a point his storytelling condenses complex information into comprehensible narratives about society In this sense he has been a guide through a dark world of nineteenth century crypto fascism to a fetishistic twentieth century in which goods fame money and power are held to have magical power Author of Tyson Nurture of the Beast and Beckham Ellis Cashmore turns his attention to arguably the most influential living film maker to explore how Scorsese envisions America Greed

manhood the city and romantic love feature on Scorsese's landscape of secular materialism They are among the themes Cashmore argues have driven and inform Scorsese's work This is America as seen through the eyes of Martin Scorsese and it is a deeply unpleasant place Cashmore's book discloses how collectively Scorsese's films present an image of America It's an image assembled from the perspectives of obsessive people whether burned out paramedics compulsive entrepreneurs tortured lovers or celebrity fixated comedians It's collected from pool halls taxicabs boxing rings and jazz clubs It's an image that's specific yet ubiquitous It is Martin Scorsese's America

Dostoevsky Joseph Frank, 2020-03-31 This volume the fourth of five planned in Joseph Frank's widely acclaimed biography of Dostoevsky covers the six most remarkably productive years in the novelist's entire career It was in this short span of time that Dostoevsky produced three of his greatest novels Crime and Punishment The Idiot and The Devils and two of his best novellas The Gambler and The Eternal Husband All these masterpieces were written in the midst of harrowing practical and economic circumstances as Dostoevsky moved from place to place frequently giving way to his passion for roulette Having remarried and fled from Russia to escape importuning creditors and grasping dependents he could not return for fear of being thrown into debtor's prison He and his young bride who twice made him a father lived obscurely and penuriously in Switzerland Germany and Italy as he toiled away at his writing their only source of income All the while he worried that his recurrent epileptic attacks were impairing his literary capacities His enforced exile intensified not only his love for his native land but also his abhorrence of the doctrines of Russian Nihilism which he saw as an alien European importation infecting the Russian psyche Two novels of this period were thus an attempt to conjure this looming spectre of moral social disintegration while The Idiot offered an image of Dostoevsky's conception of the Russian Christian ideal that he hoped would take its place

**Dostoevsky and the Catholic**

**Underground** Elizabeth A. Blake, 2014-04-30 While Dostoevsky's relation to religion is well trod ground there exists no comprehensive study of Dostoevsky and Catholicism Elizabeth Blake's ambitious and learned Dostoevsky and the Catholic Underground fills this glaring omission in the scholarship Previous commentators have traced a wide ranging hostility in Dostoevsky's understanding of Catholicism to his Slavophilism Blake depicts a far more nuanced picture Her close reading demonstrates that he is repelled and fascinated by Catholicism in all its medieval Reformation and modern manifestations Dostoevsky saw in Catholicism not just an inspirational source for the Grand Inquisitor but a political force an ideological wellspring a unique mode of intellectual inquiry and a source of cultural production Blake's insightful textual analysis is accompanied by an equally penetrating analysis of nineteenth century European revolutionary history from Paris to Siberia that undoubtedly influenced the evolution of Dostoevsky's thought

**Don't Be a Stranger** Jason Galie, 2022-04-19 It is human nature to want to fit in The lengths people have gone to do so have provided creative minds with material for centuries This book explores the consequences of being marked an outsider in the Russian speaking world through a close study of several seminal works of Russian literature The author combines the fields of literary studies linguistics and

sociology to illuminate what prompted Christof Ruhl an economist at the World Bank to comment about Russia On a very broad scale it s a country where people care about their family and friends Their clan But not their society Dostoyevsky and the Process of Literary Creation Jacques Catteau,1989-05-11 Jacques Catteau s much acclaimed book on Dostoyevsky which has already received three literary prizes and one medical in France appears here in English for the first time It is an original and detailed attempt to re examine Dostoyevsky the artist tracing the creative process from its beginnings in the notebooks to its expression in the novels and at the same time analysing the structures of time and space the role of colour and other important features of the texts **The Films of Martin Scorsese, 1978-99** L. Grist,2013-01-30 A detailed theoretically attuned analysis of all of the Scorsese directed features from The Last Waltz to Bringing Out the Dead Grist illuminates Scorsese s authorship but also reflects back upon a range of informing contexts **Dostoevsky** George Santayana,2017-07-05 Andre Gide once said that Feodor Dostoevsky lost himself in the characters of his books and for this reason it is in them that he can be found again In Dostoevsky The Author as Psychoanalyst Louis Breger approaches Dostoevsky psychoanalytically not as a patient to be analyzed but as a fellow psychoanalyst someone whose life and fiction are intertwined in the process of literary self exploration Raskolnikov s dream of the suffering horse in Crime and Punishment has become one of the best known in all literature its rich imagery expressing meaning on many levels Using this as a starting point Breger goes on to offer a detailed analysis of the novel situating it at the pivotal point in Dostoevsky s life between the death of his first wife and his second marriage Using insights from his psychological training Breger also explores other works by Dostoevsky among them his early novel The Double which Breger relates to the nervous breakdown that Dostoevsky suffered in his twenties as well as Notes from Underground The Possessed The Idiot The Brothers Karamazov and so forth Additionally details from Dostoevsky s own life his compulsive gambling his epilepsy his philosophical political religious and mystical beliefs and the interpretations of them found in existing biographies are analyzed in detail **Dostoyevsky in the Face of Death** Julia Kristeva,2023-12-19 Julia Kristeva has been both attracted and repelled by Dostoyevsky since her youth In this extraordinary book by turns poetic and intensely personal she brings her unique critical sensibility to bear on the tormented and visionary Russian author Kristeva ranges widely across Dostoyevsky s novels and his journalism plunging deep into the great works and many of the smaller ones to investigate her fascination with the Russian author What emerges is a luminous vision of the writer s achievements seen in a wholly new way through Kristeva s distinctive perspective on language With her keen psychoanalytical eye she offers brilliant insights into the passionate heroines of the great novels Focusing on Dostoyevsky s polyphonic writing Kristeva also demonstrates the importance of Orthodox Christianity throughout his body of work analyzing the complex ways his carnivalesque theology informs his fiction and commentary An original and profound interpretation of one of the nineteenth century s greatest writers this book s insights are also relevant to the twentieth and twenty first centuries up to our unsettled present to which

Kristeva's humane reading of the suffering Russian author brings understanding and even solace. *Dostoevsky* George Santayana, Louis Breger, 2017-07-05 Andre Gide once said that Feodor Dostoevsky lost himself in the characters of his books and for this reason it is in them that he can be found again. In *Dostoevsky The Author as Psychoanalyst* Louis Breger approaches Dostoevsky psychoanalytically not as a patient to be analyzed but as a fellow psychoanalyst someone whose life and fiction are intertwined in the process of literary self exploration. Raskolnikov's dream of the suffering horse in *Crime and Punishment* has become one of the best known in all literature its rich imagery expressing meaning on many levels. Using this as a starting point Breger goes on to offer a detailed analysis of the novel situating it at the pivotal point in Dostoevsky's life between the death of his first wife and his second marriage. Using insights from his psychological training Breger also explores other works by Dostoevsky among them his early novel *The Double* which Breger relates to the nervous breakdown that Dostoevsky suffered in his twenties as well as *Notes from Underground* *The Possessed* *The Idiot* *The Brothers Karamazov* and so forth. Additionally details from Dostoevsky's own life his compulsive gambling his epilepsy his philosophical political religious and mystical beliefs and the interpretations of them found in existing biographies are analyzed in detail.

**The Seductions of Psychoanalysis** John Forrester, 1991-10-25 Reflection on the history of psychoanalysis its conceptual foundations and its relation to other disciplines.

**The Sinner and the Saint** Kevin Birmingham, 2021-11-16 A New York Times Book Review Editors Choice One of The East Hampton Star's 10 Best Books of the Year From the New York Times bestselling author of *The Most Dangerous Book* the true story behind the creation of another masterpiece of world literature Fyodor Dostoevsky's *Crime and Punishment* *The Sinner and the Saint* is the deeply researched and immersive tale of how Dostoevsky came to write this great murder story and why it changed the world. As a young man Dostoevsky was a celebrated writer but his involvement with the radical politics of his day condemned him to a long Siberian exile. There he spent years studying the criminals that were his companions. Upon his return to St Petersburg in the 1860s he fought his way through gambling addiction debilitating debt epilepsy the deaths of those closest to him and literary banishment to craft an enduring classic. The germ of *Crime and Punishment* came from the sensational story of Pierre Fran ois Lacenaire a notorious murderer who charmed and outraged Paris in the 1830s. Lacenaire was a glamorous egoist who embodied the instincts that lie beneath nihilism a western influenced philosophy inspiring a new generation of Russian revolutionaries. Dostoevsky began creating a Russian incarnation of Lacenaire a character who could demonstrate the errors of radical politics and ideas. His name would be Raskolnikov. Lacenaire shaped Raskolnikov in profound ways but the deeper insight as Birmingham shows is that Raskolnikov began to merge with Dostoevsky. Dostoevsky was determined to tell a murder story from the murderer's perspective but his character couldn't be a monster. No. The murderer would be chilling because he wants so desperately to be good. The writing consumed Dostoevsky. As his debts and the predatory terms of his contract caught up with him he hired a stenographer to dictate the final chapters in time Anna Grigorievna became

Dostoevsky's first reader and chief critic and changed the way he wrote forever By the time Dostoevsky finished his great novel he had fallen in love Dostoevsky's great subject was self consciousness Crime and Punishment advanced a revolution in artistic thinking and began the greatest phase of Dostoevsky's career The Sinner and the Saint now gives us the thrilling and definitive story of that triumph Picked-Up Pieces John Updike,2013-01-15 In John Updike's second collection of assorted prose he comes into his own as a book reviewer most of the pieces picked up here were first published in The New Yorker in the 1960s and early 70s If one word could sum up the young critic's approach to books and their authors it would be generosity Better to praise and share he says in his Foreword than to blame and ban And so he follows his enthusiasms which prove both deserving and infectious Kierkegaard Proust Joyce Dostoevsky and Hamsun among the classics Borges Nabokov Grass Bellow Cheever and Jong among the contemporaries Here too are meditations on Satan and cemeteries travel essays on London and Anguilla three very early golf dreams and one big interview Picked Up Pieces is a glittering treasury for every reader who likes life books wit and John Updike **The Passion of Martin Scorsese** Annette Wernblad,2014-01-10 From his earliest shorts to his recent feature films The Departed and Shutter Island this book offers an in depth analysis of the deepest archetypal themes symbols and structures in Martin Scorsese's entire body of work It examines each of Scorsese's films as a mythological journey through which the main character is offered an opportunity for psychological and spiritual enlightenment focusing especially on how each character is led to recognize accept and embrace his or her flawed traits The book also explores the ways in which Scorsese's films incite extreme reactions and strike deep chords within his viewers particularly by speaking the language of the unconscious and forcing readers to examine their own hidden flaws
