The Footstool Of God:

Footstool of God Rodney Turner, 1994-03-01 Temples and Temple-service in Ancient Israel Menahem Haran, 1985

This milestone study is a thorough examination of the various cultic and social phenomena connected with the temple activities connected with the temple's inner sphere and belonging to the priestly circle. The book also seeks to demonstrate the antiquity and the historical timing of the literary crystallization of the priestly material found in the Pentateuch. Contents: Prologue, The Israelite Temples, Temples and Open Sacred Places, The Priesthood and the Tribe of Levi, The Aaronites and the Rest of the Levitical Tribe, The Distribution of the Levitical Tribe, The Centralizations of the Cult, The Priestly Image of the Tabernacle, Grades of Sanctity in the Tabernacle, Temple and Tabernacle, The Ritual Complex Performed Inside the Temple, Incense of the Court and of the Temple Interior, The Symbols of the Inner Sanctum, The Non Priestly Image of the Tent of Meeting, The Emptying of the Inner Sanctum, Pilgrim Feasts and Family Festivals and The Passover Sacrifice. *John Calvin's Bible Commentaries On Jeremiah 48- 52 And The Lamentations* John Calvin, The Commentaries On Jeremiah like those on The Minor Prophets were delivered as Lectures In The Theological School At Geneva taken down by some of the Pupils and afterwards read to Calvin and corrected. We find in them the production of the same vigorous and expansive mind. The Divine Oracles are faithfully explained, the meaning is clearly stated and such brief deductions are made as the subjects legitimately warrant. Though the Lectures were extemporaneously delivered there is yet so much order preserved and such brevity, clearness and suitableness of diction are found in them that in these respects they nearly equal the most finished compositions of Calvin as proof that he possessed a mind of no common order. The Ministry Of Jeremiah extended over a large space of time from the thirteenth year of Josiah's reign till after the final overthrow of the nation but for how long after that period it is not known. Between the thirteenth year of Josiah and the destruction of the city and Temple there were about forty years. This was a remarkable period and Jeremiah nearly alone labored among the people. Their sins had been for the most part the same for a long time for nearly two centuries as it appears from the testimonies of his predecessors Amos, Hosea, Isaiah, Joel, Micah, Nahum and Zephaniah for these seven had in this order preceded him Zephaniah and Habakkuk were probably for a time his contemporaries the first at the commencement and the other near the end of his ministry.

essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it is an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God's people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included
