The Forbidden Gift:

The Forbidden Gift Anttarr, 2004-09 The Forbidden Gift is defining that intangible knowing that unmistakable feeling that tells you there is more more than you have previously ever had the chance to fully conceptually digest and savor defining that feeling behind whose many masks lie layer upon layer of uncomfortable sensations that as you progressed through life you merely adapted to and incorporated into the you that you are today Who are you Each chapter of this book is a walk through your life and the life of humankind in general Who am I is naturally followed by What is my purpose for living for being Who is responsible for all this What is the reason To answer these questions we must look into the heart the source of your reality and venture beyond the known into the unknown That is what this book is all about liberation from the unconscious forces that cause you to behave think feel and live in fashions that are not productive but counterproductive to realizing the whole essence of your highest potential If you open your heart and mind to what is said you will experience personal insights and a loosening of the very dense jungle of chronic deeply rooted scripting that controls your entire orientation and self creation in the life process The strength to make impact the strength and methodology to pull your own strings and the ability to sense your own power and apply it intelligently and with sensitivity even passion is my theme ANTTARR Brenda Montgomery, 2020-02-05 She told me not to tell anyone Brenda Montgomery was born with a gift that she didn t quite know how to cope with Her mother told her to hide it and growing up she was made to feel that it was forbidden But how was she supposed to pretend it didn t exist It was a huge part of her life and affected not only her but also close friends family and even people she didn t know As she grew older some came to call her a psychic and others called her a seer who lives in two worlds the world of the living and the spirit world In many cultures her abilities are highly treasured and she is looked upon as a guide Through her lens you will learn how a young girl was guided by physical and angelic beings to expand her abilities and help others In these pages you will find childhood stories that are introspective comical frightening inspiring thought provoking and loving Brenda reminds us what it is to be innocent yet wise and encourages us to move forward in a world of uncertainty with courage The Forbidden Gift reminds us that being different really is a good thing and those who don t understand can learn from Brenda's stories and experiences She hopes that by telling her story she will help others to be more open minded and accepting of those who are different This is part one of a two part volume about Brenda's life and living with a Forbidden Gift **The Forbidden Gift** Brenda Montgomery, 2018 **Gem S Eng.
