## **The Forging Of A Rebel:**

**The Forging of a Rebel** Arturo Barea, 2019-03-26 This astonishing autobiographical trilogy hailed by George Orwell and Gabriel García Márquez is the most definitive and personal account of Spain's history during the 20th century. *The Forging of a Rebel* is an unsurpassed account of Spanish history and society from early in the twentieth century through the cataclysmic events of the Spanish Civil War. Arturo Barea's masterpiece charts the author's coming of age in a bruised and starkly unequal Spain. These three volumes recount in lively detail Barea's daily experience of his country as it pitched toward disaster: we are taken from his youthful play and rebellion on the streets of Madrid to his apprenticeship in the business world and to the horrors he witnessed as part of the Spanish army in Morocco during the Rif War. The trilogy culminates in an indelible portrait of the Republican fight against Fascist forces in which the Madrid of Barea's childhood becomes a shell and bullet strewn warzone. Combining historical sweep and authority with poignant characterization and novelistic detail, *The Forging of a Rebel* is a towering literary and historical achievement.

This book brings together different and interdisciplinary perspectives on the Spanish Civil War: its victims, its contentious ending and its aftermath. In exploring the slow demise of republican ideals, contributors range over many diverse historical and cultural topics, discussing for instance the attitudes of both Left and Right to the poet Federico García Lorca and to his assassination, examining the documentary evidence offered in surviving memoirs of the Civil War and assessing the major characteristics of the new order in Spain under Franco. Cinematic and literary depictions of the Civil War and its consequences are also studied. Other topics investigated include contemporary French reactions to the Spanish conflict, Stalinist policies towards Spain, the activities and motives of the anarcho-syndicalists and the role of the International Brigades. This collection of essays, published on the 75th anniversary of the end of the Civil War, not only places the events and experiences studied within the context of the new state of Franco's Spain but also offers timely fresh insights into wider European and international issues during what was a period of seismic change in world history. This book was originally published as a special issue of *Bulletin of Spanish Studies*.

What is accomplished by this sort of cultural warfare is impossible to say, but it is a part of total warfare which one must, as an individual, accept as one's part. At the height of the Second World War, T. S. Eliot commits himself to fighting for the cultural values of Europe. He goes on a lecture tour of Sweden, he writes talks for the BBC, he reads poems for the Czechoslovak Centre for Aid to Russia and for the French in Britain Fund. He lectures on *The Music of Poetry* in Glasgow.

addresses the Classical Association talks at the Moot and visits organisations including the Anglo Swedish Society and the British Norwegian Institute and he works for the Christian News Letter He serves as President of the English Circle of Books Across the Sea and as first President of the Virgil Society He feels exhausted by travel and performance but remains stalwart And always there is the threat in London he has no regular habitation of being bombed I have taken to sleeping in my teeth Contacts and correspondents during these dark days include the film director George Hollering for whom he struggles to adapt his play Murder in the Cathedral Kenneth Clark Henry Moore David Jones William Empson Mary Trevelyan Karl Mannheim Louis MacNeice Elizabeth Bowen M J Tambimuttu Edith Sitwell and Reinhold Niebuhr Notable poets recruited to the Faber fold include Lawrence Durrell Anne Ridler and Norman Nicholson Eliot's own creative energies are focused on completing Little Gidding the final poem of the supernal sequence Four Quartets The series of letters to John Hayward who advises him is a tour de force of the art full of news merriment and mischief
