## **The Forgotten Scribes:**

*The Forgotten Scribes* Anthony W. Downen, 2004-03-31 In a world that is held together by the taut fabric of the hierarchy it imposes the reach of its influence can touch the brink of war Ten thousand years after World War III the history of humanity has come nearly to a full circle on Balimyst amidst every imaginable fantasy creature that was once left to dreams Religion is left to lesser gods and enchanters for praise and amazement prayers said only in defense of the all controlling Senate Immortality is the fairy tale of horrific monsters at sea But for the vampires the unveiling of the only surviving copy of the Holy Bible holds a greater revelation than what was meant Follow the journey of Aramis Faro a common man who travels upon both sides of the coin finding his way between the light and the dark while dodging not only the powers that be but the prophecies that shall

*Beyond Hatti* Billie Jean Collins, Piotr Michalowski, 2014-06-23 This collection of essays honors the life and work of Gary Beckman Professor of Hittite and Mesopotamian Studies at the University of Michigan The essays were contributed by his colleagues students and friends and their breadth traversing ancient Anatolia Syria Mesopotamia and beyond are a measure of the range of his influence as a scholar His interest in the reception and adaptation of Syro Mesopotamian culture by the Hittites in particular inspired this offering

*The Last Ember of Dusk* Stephen McNeill, In the kingdom of Aeloria the sun is dying Once golden skies now burn with a fading crimson and whispers spread that when the last ember of dusk flickers out darkness will reign forever Kaelen a reluctant scribe with a gift he barely understands stumbles upon an ancient prophecy hidden in the ruins of a forgotten library It speaks of a single ember an elemental flame born of both light and shadow that could either rekindle the sun or extinguish it entirely Drawn into a perilous journey with a fugitive warrior a healer bound by secrets and a thief who trusts no one Kaelen must decide whether to embrace his role in the prophecy or let the world collapse into eternal night But as betrayal lurks closer than friendship and the lines between myth and truth blur one truth becomes clear the last ember is not just the world's salvation it is its greatest temptation The Last Ember of Dusk is a sweeping fantasy of sacrifice destiny and the fragile spark of hope in a world on the edge of shadow

Ancient Egyptian Scribes Niv Allon, Hana Navratilova, 2017-05-18 The modern view of the ancient Egyptian world is often through the lens of a scribe the trained schooled literate individual who was present at many levels of Egyptian society from a local accountant to the highest echelons of society And yet despite the wealth of information the scribes left us we know relatively little about what underpinned their world about their mentality and about their everyday life Tracing ten key biographies Ancient Egyptian Scribes examines how these figures kept both the administrative life and cultural memory of Egypt running These are the Egyptians who ran the state and formed the

supposedly meritocratic system of local administration and government Case studies look at accountants draughtsmen scribes with military and dynastic roles the authors of graffiti and literati who interacted in different ways with Pharaohs and other leaders Assuming no previous knowledge of ancient Egypt the various roles and identities of the scribes are presented in a concise and accessible way offering structured information on their cultural identity and self presentation and providing readers with an insight into the making of Egyptian written culture

D. H. Mayes, 2000-09-07 The scholarly study of the Old Testament is now marked by a rich diversity of approaches and concerns In the last two decades an interest in the text and the implications for its interpretation is no longer the preserve of a single scholarly community while the reconstruction of the history of the people from whom it derived has been transformed by new methods This new book published under the auspices of the Society for Old Testament Study reflects these new approaches and developments and has a particular concentration on literary and historical study Thus it not only clearly recognizes the diversity now inherent in Old Testament study but also welcomes the integration into its field of the wide range of approaches available in current literary and historical investigation The study of the biblical text and how it is received and interpreted by its various readerships has a certain logical priority over the study of its historical background and authorship Yet an ongoing investigation of issues relating to the latter cannot await definitive conclusions on the former So essays on the text and its reception discuss primary issues which arise in Old Testament study while those on background and authorship reflect the continued vitality of and the fresh perspective possible in more traditional scholarly concerns      **Proceedings of the Royal Irish Academy**, 1919
