## **The Foundations Of History:**

The Foundations of History Samuel Bradhurst Schieffelin, 1863      **The Foundations of History** Stephen Leach, 2017-01-24 This book provides an exposition and critical examination of Collingwood's philosophy of history in which Collingwood's views are read in the light of his metaphilosophy Collingwood's philosophy of history is also located in relation to recent and current philosophy Although the author argues that Collingwood's conception of the subject matter of history may require some revision he is generally sympathetic to the aims and methods of Collingwood's project Indeed the author hopes to demonstrate that these aims and methods are still of great value      The Foundations of History Samuel Bradhurst Schieffelin, 1863      **The Foundations of History** Foundations, 1929      History of the Foundations in Manchester of Chirst's College, Chetham's Hospital, and the Free Grammar School Samuel Hibbert, 1830      *A General History of Rome, from the Foundation of the City to the Fall of Augustus B.C. 753 - A.D. 476* Charles Merivale (Dean of Ely.), 1875

**Panofsky and the Foundations of Art History** Michael Ann Holly, 1984 No one has been more influential in the contemporary practice of art history than Erwin Panofsky yet many of his early seminal papers remain virtually unknown to art historians As a result Michael Ann Holly maintains art historians today do not have access to the full range of methodological considerations and possibilities that Panofsky's thought offers and they often remain unaware of the significant role art history played in the development of modern humanistic thought Placing Panofsky's theoretical work first in the context of the major historical paradigms generated by Hegel Burckhardt and Dilthey Holly shows how these paradigms themselves became the grounds for creative controversy among Panofsky's predecessors Riegl W Ifflin Warburg and Dvor k among others She also discusses how Panofsky's struggle with the terms and concepts of neo Kantianism produced in his work remarkable parallels with the philosophy of Ernst Cassirer Finally she evaluates Panofsky's better known and later iconological studies by reading them against the earlier essays and by comparing his earlier ideas with the vision that has inspired recent work in the philosophy of history semiotics and the philosophy of science      *A General History of Rome from the Foundation of the City to the Fall of Augustulus, B.C. 753-A.D. 476* Charles Merivale, 2025-08-12 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **A General History of Rome from the Foundation of the City to the Fall of Augustulus, B.C. 753--A.D. 476** Charles Merivale, 1888      **The Foundations of History** Samuel Bradhurst Schieffelin, 2004-01-01      The Roman History, from the Foundation of Rome to the Battle of Actium. *The Roman History from the Foundation of Rome to the Battle of Actium ... Translated from the French ... The Second Edition, Etc* Charles Rollin, 1754      **Rudolf Otto and the Foundation of the History of Religions** Yoshitsugu Sawai, 2022-02-10 This book provides an up to date treatment of Rudolf Otto and his work placing him in the context of

comparative religion theology and the philosophy of religion Yoshitsugu Sawai shows how Otto has three faces the Lutheran Theologian the Philosopher of Religion and the Comparative Religionist The book also shows how of these Otto saw himself primarily as a Lutheran Theologian and provides an account of Otto's engagement with India and the centrality that Hindu theology had on his thinking In Otto's theory of religion his well known concepts including wholly other and numinous constitute a multiple structure of meaning For example his concept of the wholly other *das ganz Andere* no doubt has the meaning of God in his Christian theological studies At the same time however from the perspective of comparative religion or the phenomenology of religion this same term semantically implies the ultimate reality of other religious traditions Brahman and God Isvara in Hindu religious tradition as well as God in Christianity
