CliffsNotes on Rand's The Fountainhead Andrew Bernstein, 2011-05-18 The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature. The latest generation of titles in this series also features glossaries and visual elements that complement the familiar format. *CliffsNotes on The Fountainhead* explores the modern classic that made Ayn Rand famous. The book carried forth the author's anti-communist ideals and conviction that individuals should not allow their lives to be dominated in any way by the beliefs of others. Following the story of architect Howard Roark as he attempts to achieve success on his own terms, this study guide provides summaries and critical commentaries for each part within the novel. Other features that help you figure out this important work include: Personal background on the author including a look at the philosophy she termed Objectivism; Introduction to and synopsis of the book; In-depth analyses of a broad cast of characters; Critical essays on the author's writing style and more; Review section that features interactive questions and suggested essay topics and practice projects; Resource Center with books, film, and audio recordings and Web sites that can help round out your knowledge. Classic literature or modern-day treasure? You'll understand it all with expert information and insight from CliffsNotes study guides.

The Fountainhead of Religion Ganga Prasad, 2000 Prasad writes that the Vedas are the oldest written source of theology and ultimately the source of all other theological systems. He takes major religious themes such as good and evil, the afterlife, resurrection, and the name used for God in the religions of Judaism, Christianity, Buddhism, and others, and traces them back to the Vedas.
