Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate and House of Representatives of Pennsylvania, 1897 **The Pursuit of the Millennium** Norman Cohn, 1970-05-15 The end of the millennium has always held the world in fear of earthquakes plague and the catastrophic destruction of the world At the dawn of the 21st millennium the world is still experiencing these anxieties as seen by the onslaught of fantasies of renewal doomsday predictions and New Age prophecies This fascinating book explores the millenarianism that flourished in western Europe between the eleventh and sixteenth centuries Covering the full range of revolutionary and anarchic sects and movements in medieval Europe Cohn demonstrates how prophecies of a final struggle between the hosts of Christ and Antichrist melded with the rootless poor's desire to improve their own material conditions resulting in a flourishing of millenarian fantasies The only overall study of medieval millenarian movements The Pursuit of the Millennium offers an

excellent interpretation of how again and again in situations of anxiety and unrest traditional beliefs come to serve as vehicles for social aspirations and animosities **Nazis on the Run** Gerald Steinacher,2012-08-23 The story of how Nazi war criminals fled justice after Second World War and the role played by the Red Cross the Vatican and the Secret Services of the great powers in helping them get away **House Documents** USA Congress House of Representatives,1898

Protected Area Regulation and Tourism Dinica, Valentina,2022-04-08 This innovative book proposes a conceptual framework to integrate the ecological and tourism aspects of Protected Area regulation assisting decision makers to develop contextually effective laws and management plans that avoid over regulating or under regulating tourism given the areas ecological profiles **Urbanizing the Alps** Fiona Pia,2019-01-14 For plenty years many popular mountain resorts have seen largely uncontrolled development consisting of the multiplication of archetypal chalet style houses This is usually accompanied by roadbuilding for private cars In order to protect these tourist destinations and their natural environs from further uncontrolled development the author investigates different settlement structures such as Andermatt Avoriaz Verbier Zermatt and Whistler Blackcomb On the basis of detailed graphical analyses she develops groundbreaking strategies for urban densification and suitable mobility management which can also be transferred to other tourist areas Eichmann Before Jerusalem Bettina Stangneth,2014-09-02 A total and groundbreaking reassessment of the life of Adolf Eichmann a superb work of scholarship that reveals his activities and notoriety among a global network of National Socialists following the collapse of the Third Reich and that permanently challenges Hannah Arendt s notion of the banality of evil Smuggled out of Europe after the collapse of Germany Eichmann managed to live a peaceful and active exile in Argentina for years before his capture by the Mossad Though once widely known by nicknames such as Manager of the Holocaust in 1961 he was able to portray himself from the defendant s box in Jerusalem as an overworked bureaucrat following orders no more he said than just a small cog in Adolf Hitler s extermination machine How was this carefully crafted obfuscation possible How did a central architect of the Final Solution manage to disappear And what had he done with his time while in hiding Bettina Stangneth the first to comprehensively analyze more than 1 300 pages of Eichmann s own recently discovered written notes as well as seventy three extensive audio reel recordings of a crowded Nazi salon held weekly during the 1950s in a popular district of Buenos Aires draws a chilling portrait not of a reclusive taciturn war criminal on the run but of a highly skilled social manipulator with an inexhaustible ability to reinvent himself an unrepentant murderer eager for acolytes with whom to discuss past glories while vigorously planning future goals with other like minded fugitives A work that continues to garner immense international attention and acclaim Eichmann Before Jerusalem maps out the astonishing links between innumerable past Nazis from ace Luftwaffe pilots to SS henchmen both in exile and in Germany and reconstructs in detail the postwar life of one of the Holocaust s principal organizers as no other book has done **House documents** ,1892
