The Free Frenchman : a Novel Piers Paul Read,1986 **The Free Frenchman** Piers Paul Read,1987 **The Free Speaker** William Bentley Fowle,1859 **The Star-spangled Screen** Bernard F. Dick, The American World War II film depicted a united America a mythic America in which the average guy the girl next door the 4 F patriot and the grieving mother were suddenly transformed into heroes and heroines warriors and goddesses The Star Spangled Screen examines the historical accuracy or lack thereof of films about the Third Reich the Resistance and major military campaigns Concerned primarily with the films of the war years it also includes discussions of such postwar movies as Battleground 1949 Attack 1956 The Bridge on the River Kwai 1957 and Patton 1970 This revised edition includes a new afterword that covers more recent films such as Sophie s Choice 1982 Biloxi Blues 1986 and Schindler s List 1993 The Star Spangled Screen makes a major contribution to popular culture by recreating an era that for all its tragedy was one of the most creative in the history of American film God Is Not a Story Francesca Aran Murphy,2007-07-19 This is a challenging critique of narrative theologies Murphy argues that the widespread notion that the role of the theologian is to tell God s story has not helped theology to advance the reality of its doctrines She offers her own alternative approach making use of cinema and film theory

Flames of Freedom Kevin Robert Aldrich,2021-11-08 Colonel Terence Phillips tried to enjoy his retirement from the Canadian Joint Task Force 2 with little success When the Prime Minister s mother went missing Terence leaped at the call to lead a team to track her down But he never expected to be so torn between his sense of duty and his sense of what was right A fast paced and passionate romantic thriller The Flames of Freedom will leave you desperate to find out what happens even as it brings tears to your eyes *Free French Africa in World War II* Eric T. Jennings,2015-07-08 Only in recent years have historians rediscovered the critical role that French colonial troops played in the twentieth century s two world wars What is perhaps still deeply under appreciated is how much General de Gaulle s Free France drew its strength from 1940 to the middle of 1943 from fighting men resources and operations in French Equatorial Africa rather than London Territorially Free France spanned from the Libyan border with Chad down to the Congo River and to the scattered tiny French territories of the South Pacific and India Eric T Jennings tells the story of an improbable French military and institutional rebirth through Central Africa and gives a unique deep look at the key role Free French Africa played during World War II to help the Allied cause Seeds of Discord Dorothy Shipley White,1964 France Jonathan Fenby,2016-11-08 With the defeat of Napoleon Bonaparte at the Battle of Waterloo in June 1815 the next two centuries for France would be tumultuous Critically acclaimed historian and political commentator Jonathan Fenby provides an expert and riveting journey through this period as he recounts and analyzes the extraordinary sequence of events of this period from the end of the First Revolution through two others a return of Empire three catastrophic wars with Germany periods of stability and hope interspersed with years of uncertainty and high tensions As her cross channel neighbor Great Britain would equally suffer France was to undergo the

wrenching loss of colonies in the post Second World War era as the new modern world we know today took shape Her attempts to become the leader of the European union was a constant struggle as was her lack of support for America in the two Gulf Wars of the past twenty years Alongside this came huge social changes and cultural landmarks but also fundamental questioning of what this nation which considers itself exceptional really stood and stands for That saga and those questions permeate the France of today now with an implacable enemy to face in the form of Islamic extremism which so bloodily announced itself this year in Paris Fenby will detail every event every struggle and every outcome across this expanse of 200 years It will prove to be the definitive guide to understanding France Escape from Vichy Eric T. Jennings, 2018-03-09

Early in World War II thousands of refugees traveled from France to Vichy controlled Martinique en route to safer shores in North Central and South America While awaiting transfer the exiles formed influential ties with one another and with local black dissidents As Eric T Jennings shows what began as expulsion became a kind of rescue **The Dawn Volume II** Debra Milligan, 2012
