The Freedom Trap Craig Hassed, 2020-06-15 In many ways we have never been more free We have the means to follow our dreams set goals and live the life we choose Yet mental health issues are sky rocketing Anxiety and depression are rife and more people feel overwhelmed by daily living The 21st century increasingly seems to breed distraction pressure and discontent So is all our so called freedom nothing more than a trap of our own making Are we as the saying goes simply decorating the cage that keeps us imprisoned What can we do to change the status quo The Freedom Trap is an inspiring call for clear thinking and a fresh appraisal of what our freedoms mean and can become This challenging confronting and eye opening look at what freedom actually is examines it from philosophical psychological political social legal ethical scientific historical and neurological perspectives Mindfulness expert and Associate Professor Craig Hassed explores how we can alleviate our burdens and find a life of peace happiness and harmony true freedom With this guide Dr Hassed aims to help people let go of their worries regrets and material desires and cut to the core of how to bring joy and contentment to our lives Including practical thinking steps to help further your understanding of what freedom means this book is essential reading for anyone who has ever thought there has to be more to life than this *The Freedom Trap* Priyan Max Jeganathan, 2025 Re CONSIDERING invites you to look at what s familiar from an unfamiliar angle To consider how we consider things and how to do it better Has our obsession with freedom distracted us from more important things Over the past century freedom has been elevated from a political ideal to a personal mantra What began as a rallying cry for liberation from tyranny has morphed into a demand for endless personal autonomy No longer confined to our constitutions courtrooms or parliaments freedom now permeates our diets our shopping carts our social media feeds Every inconvenience is a potential violation of our rights every restriction feels like an affront to our dignity But what has this pursuit of absolute limitlessness really brought us The more we chase freedom from from constraints from responsibility from discomfort the more we seem to lose our grip on freedom for for purpose for others for the common good Despite living in an age of unprecedented choice modernity has not delivered on its promises Instead many find themselves burdened by anxiety adrift in a sea of options with no compass for ethics no anchor in morality no clarity about what it means to live well We may be freer but we re not necessarily happier Could it be that our current concept of freedom understood as the absence of all limits is not true liberation but a kind of new oppression One that masquerades as empowerment while leaving us isolated overwhelmed and detached from anything larger than ourselves Have we traded the oppression of external control for the subtler tyranny of infinite choices Philosophy theology and Christianity have long warned that unbounded freedom can become its own kind of cage True freedom they argue is not the ability to do whatever we want but the ability to choose what

is good even when it's hard. It involves discipline, virtue, and an understanding of our place in the world not as atomized individuals but as part of a society woven together in mutual responsibility. Perhaps we've misunderstood the nature of limits. Not as barriers to be broken but as boundaries that create space for meaning. Just as the walls of a home provide shelter, the right kind of restrictions can protect, guide, and even enable a richer form of individualism, one that is grounded in relationship, not self-gratification. What if freedom is only truly meaningful when tethered to ethics, to morality, to love? What if what we truly seek isn't the removal of all constraints but the restoration of a vision of the good, a life shaped not by limitless desire but by deliberate and life-giving choices? Can a society that's drunk on freedom come back to its senses? What if freedom is a trap? And if it is, what can we do to free ourselves from it?

Yet the heroic acts of patriotism of those like Maniram Dewan and Kushal Konwar of Assam, Ranuwa Gohain and Matmur Jamoh of present-day Arunachal Pradesh, Pasaltha Khuangcchera of present-day Mizoram, Pa Togan Sangma of Meghalaya and Tikendrajit of Manipur are no less than those of Mangal Pandey, Bhagat Singh, Sukhdev or Tantia Tope. This book seeks to unearth such untold stories of the freedom struggle from North East India.
