'Eugénie et Mathilde, ou Mémoires de la famille du Comte de Revel', by Madame de Souza Kirsty Carpenter, 2014-06-25 Madame de Souza was an eighteenth century political journalist of undisputed talent She did not fear to accuse religion of falsely justifying intolerant political attitudes or using indoctrination for little human gain She dared to show that this achieved immediate social dislocation and in the long term grief and financial dysfunction Eugénie et Mathilde which documents revolutionary decisions made in Emigration and the irrevocable futility of losing family home rank and property in war fully reflects her approach It is a complex and compelling story of one family and its experience of 1789 1797 the years of exile during the French Revolution Heart rending decisions forced departures capital punishment and death of loved ones make the novel as topical now as it was on the eve of Napoleon's Russian Campaign Souza's plea for tolerance fraternity and compromise on the part of the State and its enemies has a relevance that stretches out to the 21st Century her message to include women in politics and not to make them suffer the unnecessary death of fathers husbands children and friends is even more current This edition lifts the veil on a literary form of anti sentimental romance or the art of making historically accurate accounts masquerade as fiction That more than anything else was Madame de Souza's forte

Honor, Romanticism, and the Hidden Value of Modernity Jamison Kantor, 2023-01-19 Despite our preconceptions Romantic writers artists and philosophers did not think of honor as an archaic or regressive concept but as a contemporary even progressive value that operated as a counterpoint to freedom a well known preoccupation of the period's literature Focusing on texts by William Godwin William Wordsworth Jane Austen Walter Scott Mary Prince and Mary Seacole this book argues that the revitalization of honor in the first half of the nineteenth century signalled a crisis in the emerging liberal order one with which we still wrestle today how can political subjects demand real materialist forms of dignity in a system dedicated to an abstract and often impoverished idea of liberty Honor Romanticism and the Hidden Value of Modernity presents both a theory and a history of this question in the media of the Black Atlantic the Jacobin novel the landscape poem and the financial romance

ancient imperial city But another presence has dominated Rome for 2 000 years the pope whose actions and influence echo down the ages In this epic tale historian Jessica WRenberg tells for the first time the story of Rome through the lens of its popes illuminating how these remarkable and unremarkable men have transformed lives and played a crucial role in deciding the fate of the city Emerging as the anonymous leader of a marginal cult in the humblest quarters of the city less than 300 years later the pope sat enthroned in a gilt basilica endorsed by the emperor himself Eventually the Roman pontiff would supplant even the emperors becoming the de facto ruler of Rome and pre eminent leader of the Christian world Shifting elegantly between the panoramic and the personal the spiritual and the profane this is a fresh and often surprising take on a city a people and an institution that is at once familiar and elusive
