wanted her Declan s vision of marriage was of a gently reared wife to grace his arm to manage his household and to bear his
children He assumed that household children and wife would remain safely in England while he continued his life as an

Frobishers Beneath her fairy princess exterior Edwina possesses a spine of steel one that might bend but will never break
Born to the purple born to rule she s determined to rule her life With Declan s ring on her finger that means forging a
marriage that meets her needs as well as his But bare weeks into their honeymoon Declan is required to sail to West Africa
Edwina decides she must accompany him A secret mission with unknown villains flings unexpected dangers into their path as
Declan and Edwina discover that meeting the challenge of making an unconventional marriage work requires something they
both possess bold and adventurous hearts The first voyage is one of exploration the second one of discovery The third
