Nevertheless, approximately one million new stepfamilies are created every year. It's no secret being a stepmother can be a living nightmare. But it can also be an enriching and rewarding experience, one that God can use to strengthen you, helping you survive and even thrive in the toughest job you never asked for. It also offers expert guidance from pastors and counselors on such issues as roles, expectations, realistic goals, organization, finances, holidays, vacations, relationships with stepchildren, negotiation, forgiveness, healing the past, building a strong marriage with stepchildren on the scene, dealing with in-laws and ex-spouses, sexual tensions in stepfamilies, health, depression, stress, and much more. While there is no magic formula to guarantee stepmother success, encouragement and practical wisdom are available in this much-needed resource.
