[The Budget story books](#) Budget story books, 1894      **The Evergreen**, 1847 Vols 1-7 include music      **Protestant Origins in India** D. Dennis Hudson, 2020-11-25 Protestant Christianity was established as a religion of India when in 1706 missionaries from the the German Evangelical Church, sponsored by the King of Denmark, landed at the Danish factory in Tamil-speaking Tranquebar. An indigenous congregation soon developed with worship and catechising in Tamil and Portuguese. This book explores the manner in which people of various castes and of various religions responded to the Lutheran mission and congregation. It investigates the manner in which Tamils themselves understood the Evangelical religion as they spread it beyond Tranquebar. It then turns to the early career of Vedanayagam Sastri (1774-1864). He responded vigorously to efforts by new missionaries to change the language, liturgy, and social custom that had guided Tamil Protestants for over a century. His actions and writings reveal an indigenous form of faith and a theology of pluralism that

countered the Reformed and Enlightenment ideas about Christian life that the new missionaries expressed and sought to enforce. Reflections on the intellectual impact of colonial Europe on those early Protestant Christians of India conclude the study.

**The Black Monk's Curse. A Tale of Justice** Monk, 1865      **I Have Come to Tell the World That God Exists** June Klins, 2011-11

In 1981 a beautiful lady appeared to six young people in the village of Medjugorje in what is now Bosnia Herzegovina. She said I have come to tell the world that God exists. He is the fullness of life and to enjoy this fullness and peace you must return to God. She told them that She was the Blessed Virgin Mary the Queen of Peace. She has continued to appear since 1981 to give messages of peace, love and joy. She is confiding ten secrets to each visionary and promises to leave a visible sign at the place of the apparitions in Medjugorje. This time of grace is for conversion and deepening of faith. After the visible sign, those living will have little time for conversion. Many books have been written about Medjugorje, but this one and Volume I and Volume II of this series are different. They include not only information about Medjugorje and talks and interviews with the visionaries but also heartfelt testimonies of people who have been healed and changed through Medjugorje and advice written from the heart by ordinary people on how to live the messages. This book will truly touch your heart and lift your spirits.

*Prophecy and the Battle for Spiritual Authority, 1360-1400* Frances Courtney Kneupper, 2025-07-02

The end of the fourteenth century was a time of upheaval and contested authority among the traditional institutions of medieval Europe. In response to these conditions, a number of people began to claim their own authority as prophets speaking the word of God. They came from outside of the clerical elite and were mostly women and reformers. This book examines the battle over authority which ensued. Prophetic women and other non-elites successfully used prophecy to exert influence and to enter the corridors of power, while educated male clerics insinuated that prophecy was the product of demonic influence and therefore a hazard to the public. Surprisingly, a third faction also emerged: an international network of clerical men who wrote in support of female prophecy. This volume traces the arguments made by these three groups, the clashes that erupted, and the long-term impacts of this battle on ideas of spiritual authority.
