**Sino-Soviet Normalization and Its International Implications, 1945-1990** Lowell Dittmer, 1992 Days of Defeat and Victory Yegor Gaidar, 2012-03-15 Yegor Gaidar the first post Soviet prime minister of Russia and one of the principal architects of its historic transformation to a market economy here presents his lively account of governing in the tumultuous early 1990s Though still in his forties Gaidar has already played a pivotal role in contemporary Russian political history championing the cause of dramatic economic reform aggressive privatization of state enterprises and painful fiscal discipline in the face of widespread popular resistance Gaidar s youthfulness energy and daring are symbolic of a new phenomenon in Russian politics the emergence of a younger generation of politicians with a distinctly technocratic bent looking firmly to the United States and Europe for inspiration and sharing little of the old generation s nostalgia for Communist stability It was largely the implementation of Gaidar s policies that drove the Russian parliament to rebel against Boris Yeltsin in 1993 leading to the bloody tank assault on the parliament itself Though Yeltsin prevailed it was clear that the political and social costs of shock therapy were too great for Russia s fragile democracy to bear and Gaidar himself was ousted to appease the conservatives His unfinished agenda was put on hold though he later returned when Yeltsin needed to placate international financial forces Gaidar remains active in Russian politics having formed his own political party Russia s Democratic Choice In this book he brings his story through Yeltsin s cliffhanger re election in 1996 and assesses the still precarious state of the market reforms and democratic politics

The Production of Hindu-Muslim Violence in Contemporary India Paul R. Brass, 2011-05-01 Chronic Hindu Muslim rioting in India has created a situation in which communal violence is both so normal and so varied in its manifestations that it would seem to defy effective analysis Paul R Brass one of the world s preeminent experts on South Asia has tracked more than half a century s riots in the north Indian city of Aligarh This book is the culmination of a lifetime s thinking about the dynamics of institutionalized intergroup violence in northern India covering the last three decades of British rule as well as the entire post Independence history of Aligarh Brass exposes the mechanisms by which endemic communal violence is deliberately provoked and sustained He convincingly implicates the police criminal elements members of Aligarh s business community and many of its leading political actors in the continuous effort to produce communal violence Much like a theatrical production specific roles are played with phases for rehearsal staging and interpretation In this way riots become key historical markers in the struggle for political economic and social dominance of one community over another In the course of demonstrating how riots have been produced in

Aligarh Brass offers a compelling argument for abandoning or refining a number of widely held views about the supposed causes of communal violence not just in India but throughout the rest of the world An important addition to the literature on Indian and South Asian politics this book is also an invaluable contribution to our understanding of the interplay of nationalism ethnicity religion and collective violence wherever it occurs      *Marxist Intellectuals and the Chinese Labor Movement* Daniel Y. K. Kwan,1997 Deng Zhongxia the organizer and leader of the Guangzhou Hong Kong General Strike of 1925-26 was one of China's foremost labor activists Marxist Intellectuals and the Chinese Labor Movement is the first English language examination of Deng's career and thought It extends into a wider assessment of the relationship between the Chinese labor movement and the Chinese Communist revolution considering the conflicting interests of workers and Marxist intellectuals and the differences between local and national concerns      The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs      **Serbia Since 1989** Sabrina P. Ramet,Vjeran I. Pavlakovic,2011-09-01 During their thirteen years in power Slobodan Milosevic and his cohorts plunged Yugoslavia into wars of ethnic cleansing leading to the murder of thousands of civilians The Milosevic regime also subverted the nation's culture twisted the political mainstream into a virulent nationalist mold sapped the economy through war and the criminalization of a free market returned to gender relations of a bygone era and left the state so dysfunctional that its peripheries Kosovo Vojvodina and Montenegro have been struggling to maximize their distance from Belgrade through far reaching autonomy or through outright independence In this valuable collection of essays Vjeran Pavlakovic Reneo Lukic and Obrad Kesic examine elements of continuity and discontinuity from the Milosevic era to the twenty first century the struggle at the center of power and relations between Serbia and Montenegro Contributions by Sabrina Ramet James Gow and Milena Michalski explore the role of Serbian wartime propaganda and the impact of the war on Serbian society Essays by Eric Gordy Maja Miljovic Marko Hoare and Kari Osland look at the legacy of Serbia's recent wars issues of guilt and responsibility the economy and the trial of Slobodan Milosevic in The Hague Sabrina Ramet and Biljana Bijelic address the themes of culture and values Frances Trix Emil Kerenji and Dennis Reinhartz explore the peripheries in the politics of Kosovo a Vojvodina and Serbia's Roma Serbia Since 1989 reveals a Serbia that is still traumatized from Milosevic's rule and groping toward redefining its place in the world      **The New Woman in Uzbekistan** Marianne Kamp,2011-10-01 Winner of the Association of Women in Slavic Studies Heldt Prize Winner of the Central Eurasian Studies Society History and Humanities Book Award Honorable mention for the W Bruce Lincoln Prize Book Prize from the American Association for the Advancement of Slavic Studies AAASS This groundbreaking work in women's history explores the lives of Uzbek women in their own voices and words before and after the Russian Revolution of 1917 Drawing upon their

oral histories and writings Marianne Kamp reexamines the Soviet Hujum the 1927 campaign in Soviet Central Asia to encourage mass unveiling as a path to social and intellectual liberation This engaging examination of changing Uzbek ideas about women in the early twentieth century reveals the complexities of a volatile time why some Uzbek women chose to unveil why many were forcibly unveiled why a campaign for unveiling triggered massive violence against women and how the national memory of this pivotal event remains contested today

### **Rules and Rights in the Middle East** Ellis

Goldberg,Reşat Kasaba,Joel S. Migdal,1993 As a whole the book demonstrates that neither the region s overgrown state structures nor the corresponding weakness of autonomous societal organizations can be explained by referring to cultural characteristics of the people in the Middle East or to the precepts of their religions True explanations the authors argue should be framed historically They pay special attention to the relations among the various groups and regions of the Middle East and to those between the Middle East and western Europe The authors emphasize the important role played by economic issues and constraints in broadening or narrowing the scope of democracy at various points in time and finally they are in agreement in seeing religion and culture of the Middle East not in static and essentialist terms but as dynamic phenomena that grow independently and even in opposition to existing political authorities BOOK JACKET

*The Found Generation* Marilyn A. Levine,2016-06-01 In contrast to the Lost Generation of youth in the West who were disoriented and disillusioned by the First World War and its aftermath the Chinese youth born between 1895 and 1905 not only believed they had a duty to save their nation but pursued their goal through social and political experimentation The vigorous purpose and optimism of this Found Generation contrasted with the apathy and detachment of their Western counterparts who followed a different path in coming to terms with the new world of the twentieth century Just after the First World War sixteen hundred Chinese young men and women traveled to Europe most of them to France as members of the Work Study Movement Their goal was to study Western technology and culture and utilize this knowledge to achieve national salvation and they planned to finance their study at European schools by factory work While in Europe many of these students became politicized partly through their exposure to European political ideas such as Marxism and partly through the social network based on shared experience that transcended what would have separated them in China One important result of this political activity was the formation of the European Branches of the Chinese Communist ORganizations ECCO The Found Generation explores the origins development and significance of the ECCO highlights the differences between it and the Communist home organization and describes its impact on the Chinese Communist Party The founders of the ECCO shared values and goals with their compatriots in China but their experiences and opportunities in Europe molded them in different ways that can be traced in their later careers On their return to China many of the young activists including Zhou Enlai Deng Xiaoping Chen Yi Cai Hesen Li Lisan Zhu De Nie Rongzhen and Wang Ruofei quickly assumed powerful positions in Chinese politics and their influence is still felt today Levine s examination of the early experiences of this important cohort of Chinese leaders helps

explain their adherence to the Leninist concept of Party discipline and their tenacious hold over central governmental power The Found Generation is a pioneering study based on original sources including interviews with several prominent participants in the Work Study Movement and the ECCO Chinese studies and memoirs and Chinese and French periodicals It provides otherwise unavailable information and analysis about the political leadership of modern China and by pointing out the differences between the Chinese radicals in Europe in China it furthers our understanding of the conflicts motivations and values of modern Chinese leaders      *Essential Outsiders* Daniel Chirot,Anthony Reid,2011-10-01 Ethnic Chinese in Southeast Asia like Jews in Central Europe until the Holocaust have been remarkably successful as an entrepreneurial and professional minority Whole regimes have sometimes relied on the financial underpinnings of Chinese business to maintain themselves in power and recently Chinese businesses have led the drive to economic modernization in Southeast Asia But at the same time they remain as the Jews were the quintessential outsiders In some Southeast Asian countries they are targets of majority nationalist prejudices and suffer from discrimination even when they are formally integrated into the nation The essays in this book explore the reasons why the Jews in Central Europe and the Chinese in Southeast Asia have been both successful and stigmatized Their careful scholarship and measured tone contribute to a balanced view of the subject and introduce a historical depth and comparative perspective that have generally been lacking in past discussions Those who want to understand contemporary Southeast Asian and the legacy of the Jewish experience in Central Europe will gain new insights from the book      **Can Europe Work?** Stephen E. Hanson,Willfried Spohn,1995-12 In Can Europe Work Germany and the Reconstruction of Postcommunist Societies eight scholars from the United States and Europe discuss the problems posed for European unity by the collapse of communism and the reemergence of Germany as Europe s strongest state Among the topics addressed are a comparison of nationalism in Western and Eastern Europe the intellectual origins of the often antiliberal and antidemocratic East European nationalism deteriorating popular support for the Polish Roman Catholic Church a comparative analysis of the German nation state in the nineteenth and twentieth centuries German economic influence in East Central Europe the role of Germany in the breakup of Yugoslavia the causes of recession in Eastern Europe and a sobering study of Russia s current economic problems The book is expected to attract a large audience in both North America and Europe among academic specialists on the region as well as those concerned with policy issues arising from the turbulent environment of postcommunist East Central Europe      Modern Clan Politics Edward Schatz,2012-09-01 Edward Schatz explores the politics of kin based clan divisions in the post Soviet state of Kazakhstan Drawing from extensive ethnographic and archival research interviews and wide ranging secondary sources he highlights a politics that poses a two tiered challenge to current thinking about modernity and Central Asia First asking why kinship divisions do not fade from political life with modernization he shows that the state actually constructs clan relationships by infusing them with practical political and social meaning By activating the most important quality of clans their concealability the state is itself

responsible for the vibrant politics of these subethnic divisions which has emerged and flourished in post Soviet Kazakhstan Subethnic divisions are crucial to understanding how group solidarities and power relations coexist and where they intersect But in a second challenge to current thinking Schatz argues that clan politics should not be understood simply as competition among primordial groups Rather the meanings attributed to clan relationships both the public stigmas and the publicly proclaimed pride in clans are part and parcel of this contest Drawing parallels with relevant cases from the Middle East East and North Africa and other parts of the former USSR Schatz concludes that a more appropriate policy may be achieved by making clans a legitimate part of political and social life rendering them less powerful or corrupt by increasing their transparency Political scientists sociologists anthropologists policy makers and others who study state power and identity groups will find a wealth of empirical material and conceptual innovation for discussion and debate
