Sir Garnet Wolseley

Charles Rathbone Low

Sir Garnet Wolseley:

Sir Garnet Wolseley Stephen Manning, 2024-02-01 Field Marshal Lord Wolseley was an eminent Victorian one of a handful of late nineteenth century military men whose reputation transcends his age He served the British empire in Burma India China the Crimea Canada Asante Egypt South Africa and the Sudan He excelled as a regimental soldier staff officer army commander and reformer and eventually commander in chief Yet there has been no substantial work on Wolseley for a generation and a reassessment based upon a fresh look at the man and his achievements is long overdue That is why Stephen Manning's perceptive military biography which sets Wolseley firmly in the context of his period and seeks to strip away the legend that developed during his lifetime is so timely and important Each of Wolseley's campaigns is examined in vivid detail and there are graphic descriptions of the major battles in which he took part either as an officer or a general His performance as a commander from his great success during the expedition against the Asante to his failure to rescue Gordon from Khartoum is critically assessed to see if he deserves his brilliant reputation His efforts as an army reformer are examined too in particular whether he could have done more to prepare Britain for war against the Boers Stephen Manning's incisive account of Wolseley's career will be fascinating reading for anyone who is interested in the British army in the nineteenth century in colonial warfare and in the exploits of one of Queen Victoria's most admired generals **Sir Garnet**

Wolseley 1833 1913 The leading British general of the second half of the nineteenth century he personally took part in a significantly influenced every campaign between the Crimea and the Boer War To Disraeli he was Our Only General while to many soldiers and to the public at large he epitomised the virtues they most admired exceptional personal bravery and an unshakeable belief in the virtues of the British Empire The phrase All Sir Garnet was a guarantee that everything was under control Seen from another angle Wolseley s career reflects a number of weaknesses To control a global empire Britain had a powerful navy but only a small army Its ability to deploy a force of limited size throughout the world almost always against untrained and underequipped native armies gave the dangerous and ultimately disastrous illusion that Britain was as formidable by land as it was by sea *All Sir Garnet* Joseph H. formidable strategic and tactical skills and won a succession of wars against brave but militarily backward opponents This book compares Wolseley and Roberts as commanders It also touches on whether Wolseley and Roberts can be compared with generals like Wellington and Montgomery who won their battles against large well organized and well armed enemy armies It is by no means certain that Wolseley and Roberts would have done well in such different circumstances **'Short' and 'long' Service** Centurion, Sir Garnet Wolseley, 1881 **The South African Diaries of Sir Garnet Wolseley, 1875** Garnet Wolseley Wolseley (Viscount), 1971 **The Story of a Soldier's Life;** Viscount Garnet Wolseley Wolseley, 2018-02-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A British Lion in Zululand** William Wright, 2017-01-15 Everyone knows about Rorke's Drift and Isandlwana but what happened at the end of the Zulu War has never been told before and it's every bit as exciting **"Short" and "Long" Service.
