*One: The Collected Episodes* Judith Lynne, 2022-07-12 The four Misses Bickering are too stubborn to marry unless it's for love. They have just enough money to rent a bakery in Leicester Square where bohemian earls rub elbows with ladies of the night and all manner of people in between. To earn a living they have to stick together and as their name implies that isn't easy. Meet Anna, Jane, Emery and Rose. None of them are married and each one has different dreams. Anna still longs for the life of drawing rooms and lace she hasn't given up her dreams of a fine marriage even though her life now is very different. Jane has never met a man who didn't disappoint her and wants the till full of good solid coins. Emery has never planned to marry a man and won't start now what she loves is making rich savory bread in the sisters' new bakery. And Rose has yet to dream dreams of her own but she starts now. Mystery men, men who leap into the bakery, men in ruffled collars and men who are rude, drunken men and men working on the road and many kinds of women. Leicester Square bustles with all types of life and the Misses Bickering are in the middle of it all. It's the last days of the wars with France and America, political movements are surging, prices are soaring and these ladies are determined to make their bakery pay. If they're going to marry it's only for love. *Ladies Own Bakery* is a Regency romance and a comedy serial with happily ever afters on the far horizon. Like a sitcom each episode is meant to be a fun short read but with ongoing characters and storylines. Episodes are released weekly to my readers during the season. This is the collected complete season.

**First Knowledges Astronomy** Karlie Noon, Krystal De Napoli, 2022-04-26 What do you need to know to prosper for 65 000 years or more? The *First Knowledges* series provides a deeper understanding of the expertise and ingenuity of Indigenous Australians. Aboriginal and Torres Strait Islander people are the oldest scientists in human history. Many First Peoples regard the land as a reflection of the sky and the sky a reflection of the land. Sophisticated astronomical expertise embedded within the Dreaming and Songlines is interwoven into a deep understanding of changes on the land such as weather patterns and seasonal shifts that are integral to knowledges of time, food availability and ceremony. In *Astronomy Sky Country* Karlie Noon and Krystal De Napoli explore the connections between Aboriginal environmental and cultural practices and the behaviour of the stars and

consider what must be done to sustain our dark skies and the information they hold into the future      Last Season of Innocence Victor Brooks, 2012-04-05 Last Season of Innocence discusses the lives of the preteens and teenagers who were in junior high school high school and the first year of college in the 1960s These are the young people who read Seventeen and Mad watched more television than their older siblings and tended to listen to 45 rpm singles or mono LPs rather than the more sophisticated stereo albums of their older siblings Substantial numbers of these teens could and did join political protests but they also engaged in a more personal daily struggle with school dress codes and parental intrusion on social life In a nation where a third of the population was under nineteen they were hardly invisible but their experience seems to have been marginalized by the twenty somethings who largely redefined the meaning of the youth culture and took center stage in doing so Brooks offers a unique account of the much chronicled 1960s by examining the experiences of these preteens and teenagers      Practical Approaches to Riparian Resource Management Robert E.
