Beyond the Altar Christine L.M. Gervais, 2018-04-26 *Beyond the Altar* illustrates how women religious overcome sexist subjugation by side-stepping the patriarchal power of the Roman Catholic Church This book counters the stereotypical image of Catholic nuns as being loyally compliant with their church by showing how a number of current and former women religious in Canada challenge their institutional religion's precepts and engage in transformative strategies to effect change both within and outside the Roman Catholic Church The sisters' testimonials reveal never before shared details about their painful experiences of male domination their courageous efforts to move beyond such sexist stifling and the women-led and women-centered spiritual governance and activist practices they have engendered in the late twentieth and early twenty-first centuries Featuring many examples of the sisters' resourcefulness resilience and resistance this book fills a void in international scholarship on what Canadian Catholic women religious have endured and accomplished Through interviews and in-depth accounts of the complexities and nuances present in the current and former sisters' lives readers will discover their steadfast indomitability as they strategically and sometimes subversively innovate their spiritual spaces

Tales from the German, Comprising Specimens from the Most Celebrated Authors, 1844 *Catholic School Journal*, 1915 **Railroad Telegrapher**, 1919 *A Door Into Ocean* Joan Slonczewski, 2000-10-13 The Sharers of Shora are a nation of women on a distant moon in the far future who are pacifists who are highly advanced in biological sciences and who reproduce by parthenogenesis because there are no males Conflict erupts when a neighboring civilization decides to develop their ocean world and sends in an army

Reverse Mission Timothy A. Byrnes, 2011-08-17 Many Catholic priests nuns and brothers in the United States take a strong interest in US policies that affect their brothers and sisters abroad In fact when the policies of their native government pose significant dangers to their people internationally these US citizens engage actively in a variety of political processes in order to protect and advance the interests of the transnational religious communities to which they belong In this provocative examination of the place of religion in world politics Timothy A Byrnes focuses on three Catholic communities Jesuit Maryknoll and Benedictine and how they seek to shape US policy in El Salvador Nicaragua and

Mexico Based on years of fieldwork and on the ground interviews Reverse Mission details the transnational bonds that drive the political activities of these Catholic orders This fascinating book reveals how the men and women of these orders became politically active in complex and sometimes controversial causes and how ultimately they exert a unique influence on foreign policy that is derived from their communal loyalties rather than any ethnic or national origin The Green City DJ Willie,2011-02-14 This book tells the story of a city that mirrors the mythical city of Enoch The Green City Readers will explore a new place in the world where a community lives on next to nothing as far as money is concerned They call it The Green City and the people living in that place work for each other for the city for their families for the state and for their country Everyone puts in a little time in caring for their food They all work together as one large family and they make strong friendships and bonds It is an amazing living city that invites everyone to visit for a time and they may never want to return to where they come from But how this city comes to exist and what mystery lies behind it More surprises await everyone as the whole story unfolds Through The Green City readers will find some thoughts that could change lives economically and financially help to solve frustration stress weight and mental issues and find happiness and enlightenment **Daily Graphic** Ransford Tetteh,2010-01-20 **The Works of Alexander Popekesq., with Notes and Illustrations by Himself and Others** Alexander Pope,1824 *The Works of Alexander Pope: Letters* Alexander Pope,1751 **The works of Alexander Pope, with notes and illustrations by himself** Alexander Pope,1824 **The Works of Alexander Pope** Alexander Pope,William Roscoe,1824 The Works of Alexander Pope, Esq Alexander Pope,1824 **Locomotive Firemen's Magazine** ,1914
