boyfriend her twin sister and her dad And while her heart is still heavy sometimes with the loss of her beloved brother Henry
who long ago went mysteriously missing Mel keeps his spirit nearby making him a larger than life hero in his nephews
imaginations creating tales of his epic adventures for their bedtime stories It s a life that works pretty well until her
estranged husband shows up at their door wanting to make up for lost time with his sons A family that plays ball in a
graveyard and stays up late to watch rare flowers bloom will never be ordinary But together the tempestuous mismatched
Browns stumble through anger and confusion to laughter and understanding discovering that sometimes love really is the

you don t know A fish eyeball was used as the center of some nineteenth century baseballs The race to make better billiard
balls led to the invention of plastics The Nerf ball was originally created to be part of a board game featuring cavemen Balls
are the unsung heroes of sports They are smacked flung dribbled crushed thrown and kicked They re usually only the subject
of scrutiny when something goes wrong a tear the application of an illegal foreign substance or a dent from overuse
Nevertheless if you re watching nearly any major sporting event from around the world you re likely following the ball
wondering where it will go next The Secret History of Balls mines the stories and lore of sports and recreation to offer insight
into 60 balls whether they re hollow solid full of air or stuffed with twine or made of leather metal rubber plastic or
