

The Six-Day War: A Retrospective

Richard Parker, editor

Gainesville, FL: University Press of Florida, 1996.
365 pages. \$49.95 (ISBN 0-8130-1383-6).

Review by

P.R.Kumaraswamy, Ph.D.

The Hebrew University of Jerusalem

In June 1992, the Middle East Institute of Johns Hopkins University organized a conference commemorating the twenty-fifth anniversary of the Six-Day War. Just months after the Madrid peace conference, Arab and Israeli diplomats met under American auspices to discuss and debate the war that "no one wanted" but everyone knew would come.

Richard Parker, who was the American political counselor in Cairo during the Six-Day War, assembled an array of important people who played crucial roles at the time. The list is rather impressive and includes former intelligence chiefs Meir Amit and Richard Helms, a host of American, Arab, Israeli, and Soviet diplomats, and leading academics. Though it is stretching it to portray them as "individuals who were in policy-making positions" (p.xi), the participants held senior positions in respective governments and contributed to some of the key decisions concerning the war. The organizers of the conference should be commended for their willingness to disseminate the illuminating discussions with the larger Middle East audience.

Unlike the conventional conference volumes, *The Six-Day War* is

Six Day War A Retrospective

Dani Korn

Six Day War A Retrospective:

The Six-day War Richard Bordeaux Parker, 1996 Former Ambassador Richard B Parker gathered representatives from the Israeli Arab Russian and U S military government and academe many of whom were participants in the 1967 crisis to reexamine the steps and missteps that led to the conflict Developed from a State Department conference marking the 25th anniversary of the war this analysis and discussion provide the most authoritative account we have of the genesis of the Arab Israeli war Contents Origins of the Crisis L Carl Brown The United Nations Response I William Zartman The Israeli Response Bernard Reich The Other Arab Responses E Ernest Dawn The View from Washington Donald C Bergus Conspiracy Theories Richard B Parker Conclusions Richard B Parker

The Six-Day War and Israeli Self-Defense John Quigley, 2013 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to justify a pre emptive assault on a state expected to attack well in the future Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states the 1967 war can no longer serve as such a precedent This book seeks to provide a corrective on the June 1967 war

The Six Day War Guy Laron, 2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors *Financial Times* One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria's often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading *Moment* A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value *Kirkus Reviews*

The Arab-Israeli Six-Day War Jeff Hay, 2012-12-28 This volume explores the 1967 Six Day War between Israel and several neighboring Arab nations Readers are offered background information on the events leading up and during the war as well as varying views on the controversies surrounding the war and its aftermath Readers will evaluate whether Israel should hold on to the post 1967 borders and the impact of the postwar occupations

Personal narratives come from Israeli Palestinian and other perspectives allowing readers to develop opinions from the words of those who experienced it themselves **Britain, the Six-day War and Its Aftermath** Frank

Brenchley,2005-02-25 Britain's reputation in the Middle East had been reduced to shreds by the fiasco of the Suez War in 1956 but by 1967 as a result of quiet diplomacy and long standing contact with the region recovery seemed possible But all seemed shattered by the Six Day War and especially by the Big Lie alleging that Britain and the USA colluded with Israel in the war and were thus vital in defeating the Arab side Britain the Six Day War and its Aftermath is a cool detailed and detached account by a top mandarin at the heart of British policy who refutes the allegations and shows Britain as pursuing an even handed policy while promoting long standing British diplomatic and vitally for Britain's flagging economy and global position economic interests **An Introduction to the Causes of War** Greg Cashman,Leonard C. Robinson,2021-04-07

This pioneering book now thoroughly updated to incorporate important research explains the causes of war through a sustained combination of theoretical insights and detailed case studies Cashman and Robinson find that while all wars have multiple causes certain factors typically combine in identifiable dangerous patterns Through their examination of World War I World War II in the Pacific the Six Day War the Indo Pakistani War of 1971 the Iran Iraq War and the US invasion of Iraq the authors lay out the complex multilevel processes by which disputes between countries erupt into bloody conflicts Ideal for a range of courses in international relations at both the undergraduate and graduate levels this focused text clearly explains theory and applies it to concrete case study examples in a way that allows students to fully understand the origins of war *The 1967 Arab-Israeli War* Wm Roger Louis,Avi Shlaim,2012-02-13 The June 1967 war was a watershed in the history of the modern Middle East In six days the Israelis defeated the Egyptian Syrian and Jordanian armies seizing large portions of their territories Two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins and the legacies of the war Each chapter takes a different perspective from the vantage point of a different participant those that actually took part in the war and also the world powers that played important roles behind the scenes Their conclusions make for sober reading At the heart of the story was the incompetence of the Egyptian leadership and the rivalry between various Arab players who were deeply suspicious of each other's motives Israel on the other side gained a resounding victory for which despite previous assessments to the contrary there was no master plan

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker,Priscilla Roberts,2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents

volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Exploring Intelligence Archives R. Gerald Hughes, Peter Jackson, Len Scott, 2008-03-11 This edited volume brings together many of the world's leading scholars of intelligence with a number of former senior practitioners to facilitate a wide ranging dialogue on the central challenges confronting students of intelligence The book presents a series of documents nearly all of which are published here for the first time accompanied by both overview and commentary sections The central objectives of this collection are twofold First it seeks to build on existing scholarship on intelligence in deepening our understanding of its impact on a series of key events in the international history of the past century Further it aims to explore the different ways in which intelligence can be studied by bringing together both scholarly and practical expertise to examine a range of primary material relevant to the history of intelligence since the early twentieth century This book will be of great interest to students of intelligence strategic and security studies foreign policy and international history

The Israel-Palestine Conflict Neil Caplan, 2019-09-11 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text

for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for students scholars and interested general readers **Warfare in the Middle East since 1945** Ahron Bregman, 2017-05-15

From the end of the Second World War and throughout the era that came to be known as the Cold War the Middle East was a battleground for Great Power rivalries and constant wars These were fought between Israelis and Arabs Arabs and Iranians Arabs and Arabs and also between regional players and outside powers the region was also the scene of several intense civil wars and insurgencies The essays gathered in this volume focus on some of the most important facets of these Middle Eastern conflicts Following a general introduction the essays are then organised under three major sections The first focuses on the Arab Israeli conflict the second on the Gulf Wars and the third section concentrates on insurgencies Together these essays all of which were written by leading experts will provide the reader with a good introduction to warfare in the modern Middle East and show how conflict has shaped the region *The Arab-Israeli Conflict, 1956-1975* Moshe Gat, 2017-11-14

The Arab Israeli Conflict 1956 1975 contains a collection of articles that examine select issues between the end of the Suez Campaign in November 1956 and the Sinai II or Interim Agreement signed by Israel and Egypt in September 1975 The book provides a comprehensive overview of the struggle between the three superpowers the UK the United States and the Soviet Union and the effects this had on the region It also explores the circumstances that led to the Six Day War in June 1967 such as the use of air power and the Israeli retaliatory raids Two chapters look at the two leaders during the war Egyptian President Gamal Abdel Nasser leader of the Arab world a charismatic and dominant persona and Israeli Prime Minister Levi Eshkol considered weak and inconspicuous Three chapters focus on the period between the two wars June 1967 and October 1973 and one explores the aftermath Emphasis is placed on Israeli policy between 1967 and 1973 which primarily focused on the use of military power and foreign policy inaction It is argued that it was this policy that hindered all progress in the peace process and ultimately led among other factors to the Yom Kippur War The final chapter is on Kissinger and the road to the Sinai II Agreement It discusses the huge shift in American policy from avoiding a significant role in the prevention of an imminent war during May and June of 1967 to deep involvement in every detail of the dispute during and following the Yom Kippur War Providing an in depth examination of this important period of the Arab Israeli conflict this book will appeal to students and scholars of Middle Eastern History and Politics Conflict Studies and International Relations *The Cold War in the Middle East* Nigel J. Ashton, 2007-07-12

This edited volume re assesses the relationship between the United States the Soviet Union and key regional players in waging and halting conflict in the Middle East between 1967 and 1973 These were pivotal years in the Arab Israeli conflict with the effects still very much in evidence today In addition to addressing established debates the book opens up new areas of controversy in particular concerning the inter war years and the so called War of Attrition and underlines the risks both Moscow and Washington were prepared to run in supporting their regional clients The engagement of Soviet forces in the air defence of Egypt heightened the danger of escalation and made

this one of the hottest regional conflicts of the Cold War era Against this Cold War backdrop the motives of both Israel and the Arab states in waging full scale and lower intensity conflict are illuminated The overall goal of this work is to re assess the relationship between the Cold War and regional conflict in shaping the events of this pivotal period in the Middle East The Cold War in the Middle East will be of much interest to students of Cold War studies Middle Eastern history strategic studies and international history The End of the British Empire in the Middle East, 1952—1971 Wm. Roger

Louis, 2025-02-20 The quarter century after the end of the Second World War and the transfer of power in India in 1947 marked the slow and turbulent dissolution of the British Empire in the Middle East Seeking to capture the period in its full complexity and contradictions acclaimed historian Wm Roger Louis here provides a through going account of the British Empire s gradual decline Unpicking the overlapping motivations of those across Britain the US and the Middle East the book demonstrates how and why enthusiasm for the British involvement in the region waned the chaotic ways in which the withdrawal unfolded and the importance of these events for understanding the region today The book explores the period in full detail from the overthrow of the Musaddiq government in Iran the Egyptian Revolution Sudan s independence and the events of the pivotal year of 1955 that set the stage for the Suez crisis the following year through the pivotal Suez crisis of 1956 itself to the crises of 1957 the Iraqi Revolution of 1958 and the 1967 Arab Israeli war and concluding with the collapse of the British position in Aden and the decision to withdraw from the Gulf a process completed by the end of 1971 This panoramic and comprehensive history draws on six decades work in archives across Europe the Middle East and the US including those from governmental archives and private papers and in multiple languages complemented by a considerable body of oral history testimony much of it acquired by the author through conversations with contemporary British politicians and officials In so doing the book sheds new light onto the nature and complexity of the British Empire in its final days and the importance of understanding this history today **Middle East Conflicts from Ancient Egypt to the 21st Century**

Spencer C. Tucker, 2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to

prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

The Occupation of Justice David Kretzmer,Yaël Ronen,2021-02-12 The book provides a critical analysis of the manner in which the Israeli Supreme Court has dealt with petitions relating to the actions and policies of the Israeli authorities in the West Bank and Gaza which were occupied by Israel in 1967 It offers an exhaustive analysis of the Court s decisions on a variety of topics including civilian settlements the separation barrier punitive house demolitions and conduct of hostilities

Public Policy in Israel Dani Korn,2005-01-01 In a nation that lacks consensus on the very nature of the state and where policy making is heavily controlled by partisan politics improved policy implementation capabilities are crucial for the very survival of Israeli society Public Policy in Israel presents a framework for understanding this country s fractured decision making process and a blueprint for the radical reform of its policy making system

The Arab-Israeli Conflict Kirsten E. Schulze,2016-11-03 In this concise yet comprehensive survey Kirsten E Schulze analyzes the causes course and consequences of the Arab Israeli conflict exploring the particular dynamics of this conflict and the numerous attempts at its resolution Covering pivotal events ranging from the creation of the State of Israel to the first and second Lebanon Wars and the Arab Spring the book traces the development of the conflict from its intellectual roots in the nineteenth century to the present day This third edition has been revised throughout to bring the text up to date with recent events including a completely new chapter on the Gaza Wars from 2006 to 2014 new material on the Arab Spring and its implications for Israel an updated discussion of the ongoing negotiations for peace Containing a diverse collection of primary source documents a chronology of key dates a glossary a guide to further reading and a Who s Who summarizing the careers and contributions of the main figures this book is essential to understanding the background to and worldwide significance of the continuing violence between Israel and Palestine and is valuable reading for all students of the Arab Israeli conflict

International History of the Twentieth Century Antony Best,Jussi Hanhimäki,Joseph A. Maiolo,Kirsten E. Schulze,Jussi M. Hanhimäki,2004-02-24 This major new global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the past one hundred years Among the areas this book covers are the decline of European hegemony over the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the three major global conflicts of the twentieth century the Great War the Second World War and the Cold War This is an absolutely essential book in the study of twentieth century history Students will find themselves lacking

without it *Arab-Israeli Conflict* Priscilla Roberts, 2014-07-15 Truly an essential reference for today's world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat

Six Day War A Retrospective Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Six Day War A Retrospective free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Six Day War A Retrospective free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Six Day War A Retrospective free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Six Day War A Retrospective. In conclusion, the internet offers

numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Six Day War A Retrospective any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Six Day War A Retrospective Books

1. Where can I buy Six Day War A Retrospective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Six Day War A Retrospective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Six Day War A Retrospective books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Six Day War A Retrospective audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Six Day War A Retrospective books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
