The Sixth Wife Suzannah Dunn,2011-02-15 A gripping novel of love passion betrayal and heartbreak in the unstable Tudor court following the death of King Henry VIII Clever level headed Katherine Parr has suffered through four years of marriage to the aging and irascible King Henry VIII and she has survived unlike the five wives who came before her But less than a year after the old king s death her heart is won by the dashing

Thomas Seymour and their hasty union undoes a lifetime of prudent caution An unwilling witness to the queen s late blossoming love Catherine Duchess of Suffolk harbors nagging suspicions of Kate s handsome and ambitious new husband But as Catherine is drawn deeper into the web of politics ensnaring her oldest friend it gradually becomes clear that she has her own dark tale to tell For though Thomas might betray his wife for power Catherine might betray her for passion risking everything she has in a world where love is a luxury not even royalty can easily afford The Lazy Historian's Guide to the Wives of Henry VIII Jillianne Hamilton,2018 *Elizabeth of York and Her Six Daughters-in-Law* Retha M. Warnicke,2017-09-05 This study of early modern queenship compares the reign of Henry VII s queen Elizabeth of York and those of her daughters in law the six queens of Henry VIII It defines the traditional expectations for effective Tudor queens particularly the queen s critical function of producing an heir and evaluates them within that framework before moving to consider their other contributions to the well being of the court This fresh comparative approach emphasizes spheres of influence rather than chronology finding surprising juxtapositions between the various queens experiences as mothers diplomats participants in secular and religious rituals domestic managers and more More than a series of biographies of individual queens Elizabeth of York and Her Six Daughters in Law is a careful illuminating examination of the nature of Tudor queenship *The Coalition* Bob Avis,2007-11-29 Tuebor was the most advanced civilization in our sector of the galaxy and they willingly shared their technology with most of the civilizations they encountered during their space explorations This led to the formation of the Hocage Alliance The Vate decided that the Tuebor led Alliance would be an easy acquisition and started a war However they underestimated the resistance of the other members of the Alliance and found themselves in a vicious stalemate The Balekian Empire engaged the Vate during their conquest of all civilizations they encountered The Vate realized that they could not defeat the Empire therefore asked the Alliance to join them in an effort to defeat a enemy who eventually would consume the Alliance After thousands of years of war a truce was finally signed which eventually led to the formation of THE COALITION Tueborian influence within THE COALITION began to erode and they sought help from the remnants of the genetically related colony established on Earth 66 million years ago This led to the 12 3 light year separation of a teenage girl and her parents Jackie and Bob Cavish were supposedly killed in a car crash After the initial shock of her parents deaths Denise Cavish questions police about several incidents surrounding the accident that doesnt make sense including the unauthorized cremation of the bodies The disappearance of Denises best friend Kim Longley seems to be unrelated to the Cavishs apparent deaths Acting on her own Denise follows a lead that takes her to a remote fishing cabin in Montana where she almost kills the man responsible for reuniting the family Once together the family helps the Tueborians and THE COALITION in dealing with the Genigans and Ammonoids in Book I the Imini Esortians and Reptilians in Book II and the United Reptilian Systems the Plasma People and the Cosmic Creature in Book III The Genigans and especially the Reptilians tend to settle any disputes with war The Imini are always in constant flight for survival but will fight to eat The

Esortians chase the Imini throughout the galaxy and multi dimensions while attacking anyone who helps their foe The Ammonoids are reluctant to share and prefer to control situations through the non confrontational use of their technology The Plasma People and the Cosmic Creature are well far out Book III concludes with the Day Of Truth and the final chance for Earth to join THE COALITION The story gives an awesome sense of appreciation for each species own very special but trivial place in this magnificent mysterious multidimensional ever evolving universe They learned to face issues far greater than their own personal needs As a group they gradually learned that they must bind together for mutual protection and prosperity THE COALITION provides adventure mystery humor and a touch of love all developed by the gradual blending of characters and species It also provides some thoughts concerning the following questions Did you ever wonder why the Chicxulub impact was so amazingly effective in wiping out all dinosaurs on Earth Why Earth has humanoids of various colors Which if any humanoids are indigenous to Earth Why media exposure to science fiction has dramatically increased during the past 25 years
