Barbara Tapa Lupack, 2013-11-08 A history of the early 1900s southern born white filmmaker and the silent films he created for black audiences In the early 1900s so-called race filmmakers set out to produce black-oriented pictures to counteract the racist caricatures that had dominated cinema from its inception Richard E. Norman a southern born white filmmaker was one such pioneer From humble beginnings as a roving home talent filmmaker recreating photoplays that starred local citizens Norman would go on to produce high-quality feature-length race pictures Together with his better-known contemporaries Oscar Micheaux and Noble and George Johnson Richard E. Norman helped to define early race filmmaking Making use of unique archival resources including Norman's personal and professional correspondence detailed distribution records and newly discovered original shooting scripts this book offers a vibrant portrait of race in early cinema Grounded in impressive archival research Barbara Lupack's book offers a long overdue history of Richard E. Norman and the filmmaking company he established early in the twentieth century Lupack's ability to describe Norman's films and the work that went into their production reanimates them for readers and stresses their role in shaping early African American cinematic representation Paula Massood author of *Making a Promised Land Harlem in 20th Century Photography and Film* Thoroughly researched and crisply written The first book-length work on Norman Lupack's monograph clearly delineates the Norman Company's importance Richard E. Norman and Race Filmmaking's most profound contribution lies perhaps in how it illuminates the fraught economics of race filmmaking *Journal of American History* Lupack's book provides a wealth of archival information about this vibrant moment in film history This is a solid contribution to regional film studies and race film business practice and will appeal to scholars students and film buffs alike *Black Camera* J.P. Martin archive editor Marcus Gipps stumbled across over fifty pages of unpublished Uncle stories which are just as hilarious and well-crafted as the published work He also discovered a fascinating biography of Martin the
