Slithers Buy A Boa:

Slither Stephen S. Hall, 2025-04-22 In this important and pioneering The New York Times Book Review book a science writer reintroduces readers to The Snake encouraging our initial reaction to the slithery creature to be one of awe rather than disgust For millennia depictions of snakes as alternatively beautiful and menacing creatures have appeared in religious texts mythology poetry and beyond From the foundational deities of ancient Egypt to the reactions of squeamish children today it is a historically commonplace belief that snakes are devious dangerous and even evil But where there is hatred and fear there is also fascination and reverence How is it that creatures so despised and sinister so foreign of movement and ostensibly devoid of sociality and emotion have fired the imaginations of poets prophets and painters across time and cultures In Slither Stephen S Hall presents a naturalistic cultural ecological and scientific meditation on these loathed yet magnetic creatures In each chapter he explores a biological aspect of The Snake such as their cold blooded metabolism and venomous nature alongside their mythology artistic depictions and cultural veneration In doing so he explores not only what neurologically triggers our wary fascination with these limbless creatures but also how the current generation of snake scientists is using cutting edge technologies to discover new truths about these evolutionarily ancient creatures truths that may ultimately affect and enhance human health

Mitchell,2020-04-17 My Father s Endless Universe By Robert E Mitchell Many have tried exploring our universe and the Earth s atmosphere But while trying we often forget that God s reach extends far beyond the reach of our own galaxy He made the universe and He touches everything and everyone in it My Father s Endless Universe is an exploration of the experiences of another of God s races on Earth as they witness the life of Christ Yeshua and emigrate the planet carrying Yeshua s teachings with them to their faraway home on the other side of the universe Tales from Lovecraft Middle School #2: The Slither Sisters Charles Gilman,2013-01-15 Two headed monsters giant tentacles angry demons Lovecraft Middle School is great creepy fun Ransom Riggs author of Miss Peregrine s Home for Peculiar Children This second novel in the Tales from Lovecraft Middle School series begins right where Professor Gargoyle ended Seventh grader Robert Arthur has discovered that two of his classmates are actually sinister snake women in disguise Even worse his new middle school is full of gates to a terrifying alternate dimension a haunted mansion full of strange spirits and monstrous beasts For Robert to protect his teachers and classmates he ll need to return to this haunted dimension with his best friends Glenn and Karina Can they uncover the secrets of Lovecraft Middle School before it s too late The Slither Sisters features more bizarre beasts more strange mysteries and more adventure It s perfect for readers ages 10 and up Best of all the cover features a state of the art morphing photo portrait so you can personally witness the sisters transforming into their slithering alter egos You won t believe your eyes The Eternal Pan Linda Laird,2010-07-30 Years ago I went to the movies to see Disney s Hook starring Robin Williams as Pan Although the movie was a wonderful story I left dissatisfied with the idea that Peter Pan the boy who never grew up was now a grown up lawyer who was doomed to grow old and eventually pass on He was no longer the eternal immortal youth but just another human It was a very disturbing thought because it took away the wonderful creation of Peter Pan as the eternal youth and ended the story which should have gone on forever for all children or those of us that are children at heart It bothered me that the boy who wouldn t grow up was no more So I decided to add more to the tale to bring it back to its never ending beginnings This is the result Many thanks to those who put up with my crazy ideas and encouraged me to write them down then read and assisted me with their input To them and the spiritually youthful Robin
