Stanton Postcard Book Collectif, Eric Stanton, 1996-10-01 **Postcards from the Chihuahua Border** Daniel D. Arreola, 2019-10-29 Just a trolley ride from El Paso Ciudad Ju rez was a popular destination in the early 1900s Enticing and exciting tourists descended on this and other Mexican border towns to browse curio shops dine and dance attend bullfights and perhaps escape Prohibition America In Postcards from the Chihuahua Border Daniel D Arreola captures the exhilaration of places in time taking us back to Mexico s northern border towns of Ciudad Ju rez Ojinaga and Palomas in the early twentieth century Drawing on more than three decades of archival work Arreola uses postcards and maps to unveil the history of these towns along west Texas s and New Mexico s southern borders Postcards offer a special kind of visual evidence Arreola s collection of imagery and commentary about them shows us singular places enriching our understandings of history and the history of change in Chihuahua No one postcard tells the entire story But image after image offers a collected view and insight into changing perceptions Arreola s geography of place looks both inward and outward We see what tourists see while at the same time gaining insight about what postcard photographers and postcard publishers wanted to be seen and perceived about these border communities Postcards from the Chihuahua Border is a colorful and dynamic visual history It invites the reader to time travel to revisit another era the first half of the last century when these border towns were framed and made popular through picture postcards **See You Next Summer** Bruce M. McCraw, 1998-07-15 Vintage postcards illustrate these stories of an earlier time in Sparrow Lake Troy in Vintage Postcards Brian Nielsen, Becky Nielsen, 2001 Troy is situated on the banks of the Hudson River just ten miles from the state capital of Albany Well known as the Collar City it is the home of Uncle Sam and of the largest annual Flag Day parade It is less well known as being the home of two National Baseball Hall of Famers Johnny the Trojan Evers and Michael King Kelly In its prime Troy had more than sixty churches fifteen breweries and at least a dozen theaters Troy in Vintage Postcards reveals through the postcard photographer s eyes what the city was like from the early to the mid 1900s with a few added surprises from the late 1800s It shows not only how much of Troy has changed but also how much has remained the same **Bennettsville and Marlboro County in Vintage Postcards** Jerry Thomas Kendall, 2003 Nestled in South Carolina s Pee Dee region Bennettsville serves as the seat of Marlboro County In the early days agriculture moved the city forward quickly turning it into one of the Palmetto State s wealthiest communities Legend says that the land is so rich it was once sold by the pound Stately homes dating back to the agricultural glory years still stand reminding residents of early prosperity Many downtown buildings have their original Victorian store fronts and are considered to be architectural gems Even today Bennettsville s Main Street exemplifies the American small town from the turn of the 20th century *Ohio's Amusement Parks in Vintage Postcards* David W. Francis, Diane DeMali Francis, 2002 By 1912 there were 54 amusement parks in Ohio The parks came in all sizes and featured such attractions as the Flying Ponies carousel the Chute the Chutes water ride and the Cyclone Racer

and Dip the Dips roller coasters Some like Cleveland s White City seemed to be courted by bad luck from the beginning and folded after only a few disappointing seasons Others like Youngstown s Idora Park enjoyed long lives and fostered beloved memories but eventually closed down in the 1960s 70s and 80s A few like Sandusky s Cedar Point have grown to be considered among the greatest amusement parks in the world But most are now forgotten **Running Steel** Stuart Field,2022-10-26 In the sixth book in Stuart Field s thriller series John Steel is drawn into a deadly game of cat and mouse as he hunts for a methodical killer known as The Sentinel Helping an old friend in the CIA to hunt down the serial killer Steel soon realizes that the culprit is sending them postcards with clues to his next victim Digging deeper into the lives of the previous victims it seems that the only thing that is constant is that all cards are addressed to him Detective John Steel Racing against time can he stop the elusive killer on his tracks or will he end up as the last name on The Sentinel s list

Mrs. Stanton's Bible Kathi Kern,2018-09-05 Mrs Stanton s Bible traces the impact of Elizabeth Cady Stanton s religious dissent on the suffrage movement at the turn of the century and presents the first book length reading of her radical text the Woman s Bible Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women s right to vote Yet she spent the last two decades of her life working for another cause women s liberation from religious oppression Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church s stifling authority over women s lives In 1895 she collaboratively authored this biblical exegesis just as the women s movement was becoming more conservative Stanton found herself arguing not only against male clergy members but also against devout female suffragists Kathi Kern demonstrates that the Woman s Bible itself played a fundamental role in the movement s new conservatism because it sparked Stanton s censure and the elimination of her fellow radicals from the National American Woman Suffrage Association Mrs Stanton s Bible dramatically portrays this crucial chapter of women s history and facilitates the understanding of one of the movement s most controversial texts **American Woman Suffrage**

Postcards Kenneth Florey,2016-04-29 American women s suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards
