Star Trek Gene Roddenberry, 2000-05-23 Celebrate the 40th anniversary of Star Trek The Motion Picture with this classic movie novelization written by legendary Star Trek creator Gene Roddenberry The original five year mission of the Starship Enterprise to explore strange new worlds and to seek out new life and new civilizations has ended Now James T Kirk Spock Dr McCoy and the rest of the crew of the Enterprise have separated to follow their own career paths and different lives But now an overwhelming alien threat one that is ignoring all attempts at communication and annihilating all opposition

in its path is on a collision course with Earth the very heart of the United Federation of Planets And the only vessel that Starfleet can send in time to intercept this menace is a refitted Enterprise with her old crew heeding the call to once again boldly go where no one has gone before **Exiles** Howard Weinstein,1990 For three centuries the people of Alaj and the people of Etolos have been bitter enemies However when crippling disasters strike both worlds each planet becomes the other s hope for survival With time running out Captain Picard and his crew are called to negotiate a peaceful settlement and begin rescue efforts But some factions would rather see both planets perish and will stop at nothing to prevent peace Soon the U S S Enterprise TM crew is caught up in a web of intrigue and terrorism that culminates with an act of ultimate revenge against both peoples revenge that will mean the destruction of two worlds and the U S S Enterprise *Chains of Command* W.A. McCay,E.L. Flood,2000-09-22 While exploring a group of devastated class M planets in a remote sector of space the crew of the U S S Enterprise is shocked to discover a group of human slaves on a forbidding glacial world When the slaves revolt against their human overseers Captain Picard and his crew sympathize with the slaves plight but cannot interfere in the conflict After the revolt is a success Captain Picard learns that both the slaves and the overseers were controlled by a mysterious bird like race called the Tseetsk who are coming to reclaim their property With the time running out the rebels kidnap Captain Picard and Counsellor Troi drawing the U S S Enterprise into the middle of their deadly plan of vengeance Spartacus T. L. Mancour,2000-09-22 Answering a distress call the U S S Enterprise finds a damaged alien vessel the Freedom crewed by a race known as the Vemlans Their captain Jared asks for assistance in repairing his ship assistance Picard and the U S S Enterprise are only too happy to provide But once begun their relief efforts are interrupted by the arrival of an entire fleet from Vemla who claim that Jared and his crew are escaped slaves and their property As Jared and his people plea for protection and the right to be free Captain Picard is caught between the demands of his conscience and the dictates of the Prime Directive And when the Vemlan fleet threatens to fight if the U S S Enterprise doesn t stand aside Picard must choose between the safety of his ship and the annihilation of an entire race Power Hungry Howard Weinstein,1989 Sent to deliver emergency famine relief to the planet Thiopa the Federation s only allies in a critically important sector of space the crew finds a brutal dictatorship one more concerned with preserving its own powers than protecting its citizens or the world they all share Captain Picard is hesitant about turning over the supplies to the corrupt government he fears they may never reach their intended destination But can he convince the ruling council to change their ways before it is too late for the government and Thiopa itself *War Drums* John Vornholt,2000-09-22 The planet Selva a lush colony world settled by a hardy group of humans who found the planet already inhabited by a small gang of young Klingons When violence erupts between the two groups Captain Picard and the U S S Enterprise are sent to render assistance Worf leads a landing party to the planet while the Starship Enterprise is called away on another urgent mission On Selva Worf and his party find that the old hatreds and prejudices between humans and Klingons are revived and the settlers

are out for blood Now Worf must prevent a horrible massacre before all of them fall prey to Selva's deadly secret and raging fury

Star Trek: Voyager: Day of Honor #3: Her Klingon Soul Michael Jan Friedman, 2002-07-21 Even light years from the Klingon Empire the Day of Honor remains an occasion of great importance And sometimes honor is found in the most unexpected places B Elanna Torres has never cared for the Day of Honor Ashamed of her Klingon heritage she regards the holiday as an unwanted reminder of all she has struggled to repress Besides something awful always seems to happen to her then Her bad luck seems to be running true to form when she and Harry Kim are captured by alien slavers Imprisoned by the enigmatic Risatti forced to mine for deadly radioactive ore Torres will need all of her strength and cunning to survive and her honor as well
