Star Trek Dafna Pleban, Jason Ho, 2014 Star Trek , 1979 NASA Activities , 1986 **Futuristic Fun** , 1979 *NASA Activities* U.S. National Aeronautics and Space Administration, 1975 **The Routledge Handbook of Star Trek** Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies *Workshop Statistics* James H. Albert, Allan J. Rossman, 2001-03-01 This first edition focuses on probability and the Bayesian viewpoint It presents basic material on probability and then introduces inference by means of Bayes rule The emphasis is on statistical thinking and how one learns from data The objective is to present the basic tenets of statistical inference Unique in its format the text allows students to discover statistical concepts explore statistical principles and apply statistical techniques In addition to the numerous activities and exercises around which the text is built the book includes a basic text exposition for each topic and data appendices **Daily Reading Activities: Spring** , **Fan Culture** Katherine Larsen, Lynn Zubernis, 2012-03-15 Fan Culture Theory Practice brings together the most current scholarship on fan studies in a way that makes it accessible and usable for both students and teachers The essays in this collection explore the relative influence of academic and fan perspectives in the current group of scholar fans and the ethical dilemmas that sometimes emerge from this interplay of identities the impact of the increasingly reciprocal relationship between textual producers and consumers and gender differences in fannish meaning making and interaction Fan Studies addresses these current issues through some of the most popular fannish texts including Doctor Who Torchwood Star Wars Star Trek Supernatural Smallville and Twilight Fan Culture Theory Practice is thus designed to challenge some accepted notions while asking relevant questions about pedagogy How do we understand the state of the field and teach fan studies both effectively and responsibly The essays contained in this volume explore the dominant themes in the field and seek to situate fan studies as a discipline with a pedagogy of its own **Workshop Statistics:** Allan J. Rossman, Beth L. Chance, 2013-12-01 Shorn of all subtlety and led naked out of the protective fold of educational research literature there comes a sheepish little fact lectures don't work nearly as well as many of us would like to think George Cobb 1992 This book contains activities that guide students to discover statistical concepts explore statistical principles and apply statistical techniques Students work toward these goals through the analysis of genuine data and through interaction with one another with their instructor and with

technology Providing a one semester introduction to fundamental ideas of statistics for college and advanced high school students Workshop Statistics is designed for courses that employ an interactive learning environment by replacing lectures with hands on activities The text contains enough expository material to stand alone but it can also be used to supplement a more traditional textbook Some distinguishing features of Workshop Statistics are its emphases on active learning conceptual understanding genuine data and the use of technology The following sections of this preface elaborate on each of these aspects and also describe the unusual organizational structure of this text
