Starfist Lazarus Rising Starfist Audio:

Starfist: Lazarus Rising David Sherman, Dan Cragg, 2004-11-23 It's the 25th century but the Marines are still looking for a few good men. In their fiercest combat yet, the hard-charging Marines of 34th Fleet Initial Strike Team FIST have finally won their battle against a full-scale alien invasion of planet Kingdom. But as citizens try to return to some semblance of normalcy, the old government is replaced by a ruthless new regime. Meanwhile, in a cave in some forgotten Kingdom backwater, several humans slowly regain consciousness. Their minds have been probed repeatedly by whom and for what reason they cannot say for they've been stripped of all memories of themselves and their past lives. These half-dead outcasts begin a journey into the unknown in search of civilization, in search of themselves. And one survivor's journey will take him to places of overwhelming danger where his identity will be revealed to the shock of all. Non-stop action. This is state-of-the-art military SF. Publishers Weekly starred review. [Starfist: A World of Hurt](#) David Sherman, Dan Cragg, 2009-01-16 With its down and dirty depiction of warfare written by men who know what it's like to be under fire, the Starfist saga is a runaway success across America. Now in the explosive new Starfist adventure packed with fierce action and danger, Marines at war in future space find themselves pitted against a faceless insatiable foe bent on destroying them. And that's just for starters. How bad is the upcoming mission facing the battle-hardened Marines of 34th Fleet Initial Strike Team FIST, the military's unofficial alien first contact force? Bad enough to make the brass take the unprecedented step of issuing 34th FIST replacements for combat losses before the Marines even leave their home base. In response to a series of unexplained deaths on a lonely outpost on the frontiers of human space, 34th FIST has been dispatched to investigate and eradicate the problem. Beyond that, the information available to Gunnery Sergeant Charlie Bass and his men is meager even by Marine standards. No one knows what awaits them for the newly colonized world remains largely unexplored. That means 34th FIST can expect creatures they have never seen or even heard of, much less trained for. It could be Skink acid shooters, could be anything for the barren station has several secrets, all of them deadly. But the last thing these Marines expect to find is themselves in the middle of an invasion and a mysterious war with none other than 34th FIST as Enemy 1. Whatever happens, they'll deal with it because they're Marines determined to be ready and to give worse than they get. *Books Out Loud*, 2007. **The Publishers Weekly**, 2003. **Children's Books in Print**, 2007, 2006.
