Stars In My Eyes:

Stars in My Eyes Edward Field, 1978 *Stars in My Eyes* Tony Charmoli, 2016-03-07 Tony Charmoli's memoir of working in Show Business. From his immigrant roots to early days on Broadway to the beginnings of television and five decades of working with the most famous people in entertainment, the journey is not only his but the journey of modern culture and the personalities that have entertained us. The book is full of funny anecdotes of very famous people; it is not a tell-all but rather like sitting and hearing great stories about people you have admired from afar from someone who was there. Tony genuinely enjoyed these people and you can tell it in what he chooses to focus on. It is also a story of a child of immigrants who arrived speaking no English and how through hard work he achieved great success. With lots of rare pictures of early TV shows, this book is a wonderful look at 20th century entertainment and the people who made it happen.

Family of Souls Marie Hilton, 2009-08-10 This collection of poems are from many different friends and family's ideas. One is from my ten-year-old granddaughter Erin. They were given to me in hopes that I would review, edit, and publish them. It took a lot of time and effort to make some of them into a readable poem. I had to go through them line by line. I did not want to lose the message that each wanted to convey. Everyone is not a poet, but they seem to have a lot of interesting thoughts to write about. I found it comforting to know that many of them see this world as it really is. I am confident that you, the reader, from young to old will find several of these poems to ponder and relate to the intended meaning of the individual poems. Even if you don't, they are worthy of your time to read. I believe that in a poem you can express yourself freely, which is why poems are written by many who never intend to publish the things they feel very deeply about and write them down. If you have some writings stuck away somewhere, get them out and dust them off and clean up the grammar. You may be pleasantly surprised at what you have written down. You may become the next poet in your time.

Something about Eve James Branch Cabell, 1927 *The English Writings of Rabindranath Tagore: Poems* Rabindranath Tagore, 2004 **Reflection Eternal** Dametrius Bedgood, 2018-12-15 The fifth book by independent author and spoken word artist Dametrius Bedgood. *Reflection Eternal* contains poems that are directly tied to the author's thoughts on growing up, love, and the overall human experience. The book also contains digital oil paintings that directly complement the autobiographical themes of the poems.

Ache S.M. Soto, 2019-04-09 A second chance romance. What happens when you fall for the boy next door? Bea Norwood had the market on normal Drama-free life. Check. A single mother who doubled as her confidant and partner in crime. Check. A neighbor and best friend she trusted more than anyone. Check. But that was until the day her mother remarried. The day that changed everything. When her best friend's cousin Liam Falcon is sent to live with his aunt and uncle to clean up his act, Bea finds herself falling for the boy next door. With their hearts so infinitely entwined, Bea turns to Liam as her only escape from her new step brother's daily torment at home. Bea thought their love could conquer anything. But she was wrong. Love was for fools, and she was the biggest fool of them all. When Liam left Lakeport, he took her heart with him, shattering the organ to

pieces Six years later Liam takes a trip back to Lakeport to visit his family and to see HER His first love The girl who holds his heart The same girl who shattered it six years ago without looking back Liam is hell bent on seeing Bea again after six years but what he finds tears his heart in half Bea Norwood is a shell of the girl he fell in love with Underneath the baggy clothes and pale skin he knows she s still in there somewhere he just needs to find her Liam will stop at nothing to win his girl back but sometimes ignorance is bliss and Liam isn t prepared for Bea s truth Some aspects of this story may be sensitive for some readers

The Moon and The Dragon Baron James Ashanti,2013-05-13 Contemporary poetry is either the Emperor s New Clothes or a stiff artifact made from tailored sounds and words Like that famous awfully candid child I m here to shout what the reader ought to see in this nifty and unique new book The Moon and The Dragon brings to light the sureness of the Oriental soul Serene and fiery at the same time every word is bound together with silken ties of love and thoughts that add to a fuller more rewarding appreciation of Ashanti s cherry blossoms morning dance of Mother Earth s prayers and humanity s struggle for peace and freedom What an artistic courageous triumph whew JULIE O YANG Novelist Visual Artist Amsterdam Netherlands As I read I find that Mr Ashanti is a master poet and a prolific writer Mr Ashanti carefully has crafted the long standing struggles and repression on the mainland of China as well as the trials and tribulations of Chinese Americans With extensive and accurate research on Chinese culture and mythology infused together he conjures a substantial and impressive collaboration of immense passionate writing The Moon and The Dragon depicts a very expressive descriptive poetical outlet of hardships endured yet enriches a full immersion of Asian culture specifically Chinese TINA CHAN Poet New York NY
