Stars Of David Prominent Jews Talk About Being Jewish:

Stars of David Abigail Pogrebin, 2007-08-14 Sixty two of the most accomplished Jews in America speak intimately most for the first time about how they feel about being Jewish In unusually candid interviews conducted by former 60 Minutes producer Abigail Pogrebin celebrities ranging from Sarah Jessica Parker to Supreme Court Justice Ruth Bader Ginsburg from Larry King to Mike Nichols reveal how resonant crucial or incidental being Jewish is in their lives The connections they have to their Jewish heritage range from hours in synagogue to bagels and lox but every person speaks to the weight and pride of their Jewish history the burdens and pleasures of observance the moments they ve felt most Jewish or not This book of vivid personal conversations uncovers how being Jewish fits into a public life and also how the author s evolving religious identity was changed by what she heard Dustin Hoffman Steven Spielberg Gene Wilder Joan Rivers and Leonard Nimoy talk about their startling encounters with anti Semitism Kenneth Cole Eliot Spitzer and Ronald Perelman explore the challenges of intermarriage Mike Wallace Richard Dreyfuss and Ruth Reichl express attitudes toward Israel that vary from unquestioning loyalty to complicated ambivalence William Kristol scoffs at the notion that Jewish values are incompatible with Conservative politics Alan Dershowitz raised Orthodox talks about why he gave up morning prayer Shawn Green describes the pressure that comes with being baseball s Jewish star Natalie Portman questions the ostentatious bat mitzvahs of her hometown Tony Kushner explains how being Jewish prepared him for being gay Leon Wieseltier throws down the gauntlet to Jews who haven t taken the trouble to study Judaism These are just a few key moments from many poignant often surprising conversations with public figures whom most of us thought we already knew When my mother got her nose job she wanted me to get one too She said I would be happier Dustin Hoffman It s a heritage to be proud of And then too it s something that you can t escape because the world won t let you so it s a good thing you can be proud of it Ruth Bader Ginsburg My wife Kate Capshaw chose to do a full conversion before we were married in 1991 and she married me as a Jew I think that more than anything else brought me back to Judaism Steven Spielberg As someone who was born in Israel you re put in a position of defending Israel because you know how much is at stake Natalie Portman Jewish introspection and Jewish humor is a way of surviving if you re not handsome and you re not athletic and you re not rich there s still one last hope with girls which is being funny Mike Nichols I felt not only this enormous pride at being a Jew I felt this enormous void at not being a better Jew Ronald O Perelman American Jews like Americans have a very consumerist attitude toward their identity they pick and choose the bits of this and that they like Leon Wieseltier I thought if I had straight hair and a perfect nose my whole career would be different Sarah Jessica Parker I ve always rebelled a little when people say My Jewish values lead me to really care about the poor I know some Christians who care about the poor too William Kristol There were many times when I kept silent about being Jewish as I got older when Jewish jokes were told William Shatner Jew bastard was something I heard a lot Leonard Nimoy I always liked shiksas Larry King It specifically says in the Torah that you can eat shrimp and bacon in a

Chinese restaurant Jason Alexander Yom Kippur is something I do alone with nobody else because I believe that my relationship with God is mine and mine only Diane von Furstenberg *Bar Mitzvah, Bat Mitzvah* Bert Metter, Marvin Friedman, 2007 Presents the history and evolution of the bar mitzvah and bat mitzvah ceremonies and reflections of Jewish celebrities on their own coming of age celebrations **Movie-Made Jews** Helene Meyers, 2021-09-17 *Movie Made Jews* focuses on a rich usable American Jewish cinematic tradition This tradition includes fiction and documentary films that make Jews through antisemitism Holocaust indirection and discontent with assimilation It prominently features the unapologetic assertion of Jewishness queerness and alliances across race and religion Author Helene Meyers shows that as we go to our local theater attend a Jewish film festival play a DVD watch streaming videos Jewishness becomes part of the multicultural mosaic rather than collapsing into a generic whiteness or being represented as a life apart This engagingly written book demonstrates that a Jewish movie is neither just a movie nor for Jews only With incisive analysis *Movie Made Jews* challenges the assumption that American Jewish cinema is a cinema of impoverishment and assimilation While it s a truism that Jews make movies this book brings into focus the diverse ways movies make Jews **My Jewish Year** Abigail Pogrebin, 2017-03-14 In the tradition of *The Year of Living Biblically* by A J Jacobs and *Walking the Bible A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin s *My Jewish Year* a lively chronicle of the author s journey into the spiritual heart of Judaism Although she grew up following some holiday rituals Pogrebin realized how little she knew about their foundational purpose and contemporary relevance she wanted to understand what had kept these holidays alive and vibrant some for thousands of years Her curiosity led her to embark on an entire year of intensive research observation and writing about the milestones on the religious calendar Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition readers will be captivated educated and inspired by Abigail Pogrebin s *My Jewish Year* **Jewish Cultural Studies** Simon J. Bronner, 2021-05-04 Defines the distinctive field of Jewish cultural studies and its basis in folkloristic psychological and ethnological approaches *Jewish Cultural Studies* charts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing and necessary not only for Jews but also for students of identity ethnicity and diversity generally In addition to framing the distinguishing features of Jewish culture and the ways it has been studied and often misrepresented and maligned Simon J Bronner presents several case studies using ethnography folkloristic interpretation and rhetorical analysis Bronner building on many years of global cultural exploration locates patterns processes frames and themes of events and actions identified as Jewish to discern what makes them appear Jewish and why *Jewish Cultural Studies* is divided into three parts Part 1 deals with the conceptualization of how Jews in complex heterogeneous societies identify themselves as a cultural group to non Jews and vice versa such as how the Jewish home is socially and materially constructed Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests for example the rising popularity of naming ceremonies

for newborn girls simhat bat or zeved habat in the twenty first century Part 3 explores narration including the global transformation of Jewish joking in online settings and the role of Jews in American political culture Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences As a diasporic group with religious ties and varying local customs Jews present difficulties of categorization He encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives participation in ancient tradition and recent modernization and the great variety and stigmatization of Jewish experience and cultural expression Students and scholars in Jewish studies cultural studies ethnic religious studies folklore sociology psychology and ethnology are the intended audience for this book

The Case for Jewish Peoplehood Dr. Erica Brown,Misha Galperin,2012-05-17 Peoplehood everyone s talking about it But what does it actually mean and why is it important to the future of Judaism Why is this conversation important Why does it merit your attention If you care about Jewish identity and community then you know that we have no trouble identifying the problems that fragmentize us as a people but have far less success identifying that which unites us Without a unifying collective notion of Jewish identity that is meaningful and robust it is virtually impossible to make a strong case for Jewish continuity from the Introduction This call to Jewish community explores the purpose possibilities and limitations of peoplehood as a unifying concept of community for a people struggling profoundly with Jewish identity It defines what peoplehood is and is not and explores both collective and personal Jewish identity and the nature of identity construction Drawing on history sacred texts and contemporary scholarship The Case for Jewish Peoplehood identifies some of the obstacles that challenge a shared notion of peoplehood personal choices construct of membership and boundaries growth of Jewish illiteracy identity fragmentation between Israeli and Diaspora Jewry and the generational divide

affecting traditionalists baby boomers and generations X and Y To help you join the conversation the authors support a vision for the future and provide practical guidance and recommendations for getting there
