Holocaust Education 25 Years On Andy Pearce, Arthur Chapman, 2018-08-07 The year 2016 marked the twenty fifth anniversary of statutory teaching and learning about the Holocaust in English state maintained schools which was introduced with the first English National Curriculum in 1991 The year 2016 also saw the publication of the largest empirical research study on Holocaust education outcomes the UCL Centre for Holocaust Education's What Do Students Know and Understand About the Holocaust This book presents a systematic reflection on the outcomes of this quarter century of

Holocaust education in England and the Centre's wider work to reflect on the forms and the limitations of children's knowledge about the Holocaust and of English Holocaust education resources. These papers are then contextualised in two ways through papers that situate English Holocaust education historiographically and in England's wider Holocaust culture and through papers from America, Switzerland and Germany that place the UCL Centre for Holocaust Education's findings in a wider and comparative perspective.
