

Teach Your Dog to Sit

1 Find a reward for your dog, such as a small treat. After getting his attention and showing him the reward in your hand, move your hand up and over his head.

2 As he follows your hand with his eyes, his rear will drift toward the ground and he will automatically sit. When he has completed the sit, praise him lavishly and give him the reward.

Teach Your Dog to Come

1 Start by facing your dog, who should be a few feet away. Have your hands at your sides and a treat in your hand. Say your dog's name and the word "come." As you say "come," sweep your arm up and out to the side.

2 Then sweep your arm forward and into your chest. If your dog doesn't respond to the hand signal and verbal command, use the treat to lure him to you.
