Children Cindylee Villareale, 2009-02-06 As an early childhood professional teaching young children is an important function of your job. You may not realize however that time spent teaching children results in learning opportunities of your own. This collection of heartening classroom stories reflects the change, growth, and learning that happens when teachers take time to learn from children. Lessons shared are centered on themes of being the best teacher you can be, helping children feel special, and helping children learn in new ways. Each story is followed by the author's personal reflection on the event and the lasting impact it made. You are invited to apply these stories to your own experiences as you realize the influence children have on your life. These touching narratives will encourage, support, and challenge you to be a better person both at home and in the classroom. Learning from the Children is an inspiring reminder that some of the biggest lessons come from the smallest teachers.

How Children Learn to Read and How to Help Them Cedric Cullingford, 2013-09-13 This is an introductory guide to the theoretical and practical aspects of the development of reading skills. The book looks at the success or failure of various techniques and provides underpinning theory.
