Teaching Of Mother Wit:

Stray Thoughts for Mothers and Teachers Lucy Helen Muriel Soulsby, 1899 **Teaching Malcolm X** Theresa Perry, 2014-01-02 The volume brings together a dazzling array of perspectives on Malcolm X to discuss the importance of X as a cultural hero and provide guidelines for teaching Malcolm related material at elementary high school and university levels **Training the Teacher** Adolphus Frederick Schauffler, Antoinette Abernethy Lamoreaux, Martin Grove Brumbaugh, Marion Lawrance, 1908 *Understanding Teaching and Learning* T. Brian Mooney, 2011-12-07 Generous selections from these four seminal texts on the theory and practice of education have never before appeared together in a single volume The Introductions that precede the texts provide brief biographical sketches of each author situating him within his broader historical cultural and intellectual context The editors also provide a brief outline of key themes that emerge within the selection as a helpful guide to the reader The final chapter engages the reflections of the classic authors with contemporary issues and challenges in the philosophy and practice of education **Making Gray Gold** Timothy Diamond, 2009-06-12 This first hand report on the work of nurses and other caregivers in a nursing home is set powerfully in the context of wider political economic and cultural forces that shape and constrain the quality of care for America's elderly Diamond demonstrates in a compelling way the price that business as usual policies extract from the elderly as well as those whose work it is to care for them In a society in which some two million people live in 16 000 nursing homes with their numbers escalating daily this thought provoking work demands immediate and widespread attention An unnerving portrait of what it's like to work and live in a nursing home By giving voice to so many unheard residents and workers Diamond has performed an important service for us all Diane Cole New York Newsday With Making Gray Gold Timothy Diamond describes the commodification of long term care in the most vivid representation in a decade of round the clock institutional life A personal addition to the troublingly impersonal national debate over healthcare reform Madonna Harrington Meyer Contemporary Sociology **Wisconsin Journal of Education**, 1885 *A Bible Course for Teachers* Adolphus Frederick Schauffler, 1908 **The Making of a Teacher** Chauncey Peter Colegrove, 1908 **Report on Secondary and Higher Education** Sir Michael Sadler, 1903 **Education**, 1918
