What the Bible Actually Teaches on Women Kevin Giles, 2018-10-19 Kevin Giles has been writing on women in the Bible for over forty years In this book What the Bible Actually Teaches on Women he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it To understand the bitter and divisive debate among evangelicals over the status and ministry of women it needs to be understood that those who since 1990 have called themselves complementarians argue that in creation before the fall God set the man over the woman Thus the leadership of the man and the subordination of the woman in the home the church and wherever possible in the world the whole creation is the God given ideal that is pleasing to God It is this theology that Kevin Giles deconstructs and shows to be without a biblical foundation Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it He sees it as an appeal to the Bible to preserve male privilege similar to the appeals to the Bible to validate slavery and Apartheid appeals to the Bible made by some of the best Reformed and evangelical biblical scholars and now seen to be special pleading Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes Giles finds not one of them actually teaches what complementarians claim Furthermore complementarians too often ignore the texts that are very difficult for them In this book the ordination of women gets only passing mention The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle

Learning in the Way Jeff Astley, 2000 Adult Christian learning is central to the life of the Christian church and is essential for its health outreach and very survival Leading Christian educators here apply the principles of Christian education to adult learning in the churches and present the results and methods of empirical research relevant to the church's ministry of adult Christian education This book will be of interest to all who are concerned for the ways in which adults learn to be Christian The editor Jeff Astley is Director of the North of England Institute for Christian Education and Honorary Professorial Fellow in Practical Theology and Christian Education in the University of Durham

Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Dr. Steve A. Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain's career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous

multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader s practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith Moral Theology for the 21st Century Julie Clague,Bernard Hoose,Gerard Mannion,2011-08-11 The Congregationalist ,1929
