share it with all the parents that I know Sally's book gives a new dimension to the problem of bullying as she does not wage war on all bullies. She has written this book from her heart and from the bosom of a woman with maternal instincts. Claire Guischard Thompson. Sally has done excellent research on this topic and has weaved well researched facts about bullying to her own experiences. She maintains a connected flow in each area and tugs at our hearts to help and heal both victims and bullies alike. The book is well written and divided into segments to address all parties. I have been a teacher for over thirty seven years and I anticipate this book will help thousands of readers. I am eagerly looking forward to reading other books that Sally plans to publish soon.
