Bible Talks for Heart and Mind E. C. Henningsen, R. B. Henningsen, 1928 **Training Hearts, Teaching Minds** Starr Meade, 2000. Supplies two needs: 1. profitable, useable material for family devotions and 2. a practical guide for parents helping their children learn the catechism.

Heart and Mind Ruth Beechick, 2004-07-01. This book offers fresh insight on what the Bible says about learning. Teaching and learning are more effective when people are viewed with heart, with the image of God within them. This book contains the most complete research available about heart in the Bible. The Bible says the heart knows, considers, speaks, remembers, deceives, meditates, and other functions that modernists like to attribute to the brain. This book also reports physiological research that shows the Bible was right all along in the way it spoke about heart. A chart in the appendix summarizes almost 1000 Bible references to heart by meaning.

Back to the Bible Ramon Canals, 2024-09-01. Have you ever wanted to be able to recite the Bible from memory? How wonderful it would be to have God's Word with you everywhere you go. In *Back to the Bible*, Pastor Ramon Canals shares his personal journey to reach this goal and explains the methods and steps so that you too can learn and recall passages, chapters, and even whole books of the Bible. You will be blessed as you read this book, become focused on the Bible, and start memorizing the precious Word of God. God will use you and memorized scriptures to His glory and your spiritual growth. What a privilege to have God's Word to read, study, and place in our hearts through memorization for eternity. By God's grace, get started. Ted N. C. Wilson, president, General Conference of Seventh-day Adventists.
